

Parents and Alumni To Fete Miss March

Parents, teachers, and alumni of the John Ward School will hold a testimonial reception to Miss Mildred March, marking the 20th anniversary of her principalship of the Ward School, Newton Centre.

Invited guests to the reception, which will be held in the Newton High School auditorium, Tuesday evening, June 7, at 8:15 p.m. are a personal representative of Governor Paul A. Dever, Miss Alice Beal, Supervisor of Elementary Education for the Commonwealth, Dean Donald D. Durrell, Boston University School of Education, Mayor Theodore R. Lockwood, David W. Tibbott, Chairman of the Newton School Committee, and G. W. Brainerd, Principal of the Lincoln-Elliott and Stearns Schools.

Feature of the program will be an address by Dr. Alice V. Keller, Associate Professor, New York University School of Education, on the subject "The Elementary School Faces the Future." Dr. Keller is the author of "Life and Growth," "Critical Study of Homogeneous Grouping," and numerous articles on the subject of early childhood and elementary education. During the war she served as Secretary of the Mayor's Committee on Wartime Care of Children in New York City, and as Chairman of the Committee on Child Care, Development and Production of the Greater New York Civilian Defense Volunteer Organization. At present she is Chairman of the Citizens' Committee for Children in New York City, and is President of the Women's Conference Group of the Business and Professional Women's Club. She will be introduced by Dr. Homer W. Anderson, Superintendent of Schools.

Newton Raised 61% Of Its Seal Quota

Newton raised \$4,795 or 61 per cent of its quota in the annual Easter Seal of the Bay State Society for the Crippled and Handicapped, the Easter Seal Agency, which seeks to fill the unmet needs of crippled and handicapped youngsters throughout the state, according to final figures revealed by Parker Trowbridge, President of the Society.

Treasurer for this area was Miss Ruth Burns, Assistant Treasurer, Newton Waltham Bank and Trust Company.

Retired Fire Chief Keating Is Honored

Eleven past presidents of the Newton Kiwanis Club, James P. Gallagher, Dr. F. Paul, Archibald Bellinger, Walter Finlay, John Janse, William Riggs, Walter Hood, Benjamin Louis, William Sullivan, Dr. Ernest Marcoux and Frank Battles were the guests and speakers at the Newton Kiwanis Club's "Past President's Day," Wednesday at the Y. M. C. A.

A highlight of the annual event was the announcement that retired Fire Chief John L. Keating had been unanimously elected to life membership in the club. The birthdays of James P. Gallagher, Mark Conroy and Judge Francis Terry were observed.

James Riggs added \$25 to the Kiwanis Fund for the Children's Medical Center, the only general hospital for children in the world. The past presidents briefly told of Kiwanis history in the Garden City. Dr. Paul and Mr. Gallagher reminisced concerning the club and its membership a quarter of a century ago. A musical program followed.

St. Petersburg, Fla., Popular With Newton People Report Shows

Newton was one of hundreds of cities throughout the United States and Canada which made substantial gains during the past tourist season on the visitor registration books of the Chamber of Commerce of St. Petersburg, Fla.

During the period from September 1st through March 31st, there were 91 registrations from Newton, compared with 52 for the corresponding period the season before, a gain of 39. As St. Petersburg's thirty-five years' experience in registering visitors has established the fact that about one arrival in five registers, the actual number of visitors from Newton would be five times the number above.

Governor Dever to Visit Here Friday

His Excellency Governor Paul A. Dever will visit the Newton City Hall Friday morning at the invitation of Mayor Theodore R. Lockwood prior to their attendance at the Commencement exercises at Mt. Ida Junior College at which Gov. Dever will speak.

PROCLAMATION

WHEREAS children from all over the world, and many from this state are now being ministered unto for cancer irrespective of race, creed or color, and

WHEREAS the word "JIMMY" has come to symbolize to this New England section the youth of this nation who have been stricken with the deadly disease cancer, and

WHEREAS the children represent the greatest stake in our future, and anything that contributes to the over-all health of the youth of our land is a stronghold against aggression, and

WHEREAS The JIMMY Fund represents the principal media of support of the Children's Cancer Research Foundation in its outstanding work at the Children's Hospital, and

WHEREAS the present appeal for funds affords everyone the opportunity to contribute regardless of financial status, in that small contributions of many rather than the large donations of few are sought,

NOW THEREFORE do I, Theodore R. Lockwood, Mayor of the City of Newton, Massachusetts, recognizing the godliness that makes people wish to help sick youngsters, proclaim

JIMMY TIME

May 29 through June 11, 1949

and urge that the children of this city contribute their pennies to help "JIMMY" and other youngsters victims of cancer, and that adults do whatever they can as evidence that our city appreciates what has been done for our children who have suffered with cancer.

Edward C. Michaud Reelected President Of Norumbega Council At Annual Meeting

"America must share its freedom, its culture, its know-how with its 'neighboring world' if the ideals of democracy are to prevail," declared Arthur A. Schuck, Chief Scout Executive, Boy Scouts of America, at the annual meeting of Norumbega Council last Wednesday evening at the Newton Centre Women's Club.

EDWARD C. MICHAUD

Edward C. Michaud, Council President, was re-elected to serve for the 1949-50 Scout year at the inspiring meeting. More than 300 adult leaders of Scouting and invited guests attended a dinner and community singing preceded the formal program.

An important change in Scouting ages, voted at the Boston meeting of national Scout leaders this week, was announced by President Michaud. Beginning in September of this year, Cubbing ages will be from 8 to 10 years, Scouts from 11 to 13, and a new activity, Explorer Scouting, will supersede Senior Scouting, admitting boys of 14 and older.

The Annual Meeting Number of "Norumbega News" discloses a substantial gain in unit number.

Nursing More Than A Vocation States Dr. Carl S. Ell

"Nursing is more than a vocation or a field of work. It is a calling that requires not only time and skill, but patience, understanding, and selfless devotion," Pres. Carl S. Ell of Northeastern University told the graduating class of the Newton-Wellesley Hospital for Nursing at its commencement exercises Thursday, June 2 in the Winslow Hall of Lasell Junior College, Auburndale.

"Nurses are greatly needed in the world today," the Northeastern University president told the graduates, faculty and guests of the school which recently completed its 61st year of nursing.

He said, "I know that not only does the present demand for professional nurses greatly exceed the supply, but the demand is increasing. The need in the United States for professional nurses, as stated by the President's Commission on Higher Education, was that—compared to an estimated 360,000 nurses in the U. S. in June, 1947, there would be 502,000 needed by 1950, and 1950 is next year."

Dr. Ell continued, "This estimate was based upon current standards of nursing practice, but you know as well as I that

Warren Junior High School Conducts Memorial Service

A memorial service was conducted at the Warren Junior High School last Friday, by pupils of Junior I, II, III, assisted by former pupils of Warren who served in the last war. Representing the air force and acting as guest speaker was Millard Harmon, class of '41. He was assisted in a flag ceremony by Philip Reichle, class of '41, representing the army; John McLaughlin, class of '42, the marines and Paul Gibson, class of '42, the navy.

The theme of the program was "The Meaning of Memorial Day." Through familiar stories, poems, and songs the ideals for which wars have been fought were recalled from the Civil War through the last World War. Millard Harmon's very pointed message stressed the responsibility of the boys and girls of today in taking advantage of every educational opportunity offered them that they may be prepared to help prevent further loss of life through wars.

As a fitting climax to the program, the school stood in silence as the names of former Warren pupils and faculty who died in service were read. Taps were played by Joseph Marazzo and Guy Rizza.

Latest Military Weapons And Equipment To Be Shown At Centre On July 4th

The latest and most advanced type of military weapons and equipment will be displayed for the first time at the Newton Centre playground by two full companies of the Massachusetts National Guard as a feature of the mammoth Fourth of July celebration, William P. Ripley, chairman, announced this week following a directors' meeting of the sponsoring Newton Centre Improvement Association.

Led by Capt. Thomas F. Hickey and Capt. Stanley L. Webb of the 101st Infantry Regiment, 26th Infantry Division, Company F and Company K will also present a demonstration of soldiers' life in the field including military camping and feeding.

Special daytime events for children of all ages have been retained on the daytime program in addition to the new military display and the annual swimming races and canoe contests at Crystal Lake.

The youngest generation are already planning highly decorated entries in the doll-carriage parade and stuffing their pets with extra vitamins in preparation for the famous pet and dog show.

Climaxing the program, which has brought a unique safety record to Newton Centre on previous Fourth of July holidays, there will be a huge fireworks display at 7:45 p.m. The committee has voted to equal the amount spent on fireworks last year, making a sensational presentation reputedly superior to

Ayer, Jr. of the headquarters campaign staff in Boston.

Ayer exhorted the Newton workers, preparing for their active drive for solicitations throughout the Newtons, to exert every effort to assure the success of the campaign as a "civic responsibility."

"The urgent need for expanding the Children's Hospital into a great New Children's Medical Center hits home with Newtonites, when we consider that in the last five years, 839 Newton children were admitted there as bed patients and many more were treated as out-patients," Ayer said.

"Newton is indeed fortunate in having such an outstanding pediatric institution in its backyard, particularly since demands for services there run as high as they do."

"The children treated there come from every corner of the Newtons - Auburndale, Waban, Chestnut Hill, Upper and Lower Falls, Newton Highlands and the more populated sections of Newton."

"Devotion" is the proper adjective to describe Miss Weeks, who has given her life to her schoolchildren and to caring for her mother. For many years, she and the Hyde School's Mabel Chase, whom she knew first as a practice teacher, then as a friend and colleague, have lived at 22 Whittemore Road. She has summered since 1900 in her Owl's Head, Maine, house, which was built during the War of 1812.

She has taught in the City of Newton Evening School and Summer School, and has been active at the Grace Episcopal Church and in the Community Club. Among her teaching and her "extracurricular" activities she has found time to become an accomplished cook and housekeeper, and to acquire a collection of over 3000 different match book covers from all over the world.

She looks forward to a celebra-

tion trip to New York City, summers of relaxation at Owl's Head, and many years of housekeeping in Newton, where she can be near her many friends.

The program for the evening is as follows: Master of Ceremonies: Reverend Robert W. Woodroffe, Jr.; Musical selections, Underwood School Orchestra; Greetings, Dr. Homer W. Anderson, Mr. Allen Accomb, Miss Mary Nugent; Musical selections, Scout Band; Greetings, Mr. Edward L. Emerson, and Miss Rhoda M. Dorsey; Reception and Refreshments.

Nursing—

(Continued from Page 1)

current standards for the training of nurses will not remain static. The level of the profession will be raised in life with the onward and upward march of social progress. No longer does the work of a nurse mean care of patients only, important as that is. Today wide vistas and wide ranges of opportunities are open to her in accordance with her aptitudes and her talents. She may find a future in General Staff nursing, Private Duty nursing, Administrative work, teaching, Public Health nursing or Laboratory and research work.

"You are now completing your basic training for the nursing profession. Many of you will begin immediately the practice of General Staff Nursing. Others will go on to the University School to prepare for administrative work, teaching or public health nursing, while many of you will soon be married and engaged in making a home of your own. Whichever road you choose to follow, your education and training here at the Newton-Wellesley Hospital School in this Basic Training Program will be fundamental and useful."

CHILDREN'S SUMMER APPAREL

At the Newton Centre Shop Only

A Shopping I Would Go!

By PATRICIA PATENAUE

There are some helpful and
exciting things at the Newton
Shops this week and you
won't want to miss them.

Everything from Father's
Day gifts, to trousseau love-
lies, to a Bride of the Month
contest. Yes 'em June is the
time for different ideas and
that goes for you too. If
you've slipped into a little rut,
then pull hard and get on a
new road. Showers, gradua-
tions, vacations, weddings,
picnics, and playsuits all go to
make up the wonderful month
of June. And it will be won-
derful, won't it?

Summer fashions in the
men's world are taking over
this Father's Day. And Dad
couldn't be more pleased than
he will be with a wearable,
wonderful gift from Green-
field's. From the smallest gift
to the largest, Greenfield's
has just the thing for Dad.

Flattering ties, manly socks,
and sturdy belts fall in one de-
partment, while pajamas and
shirts suggest another line. I
was most impressed with the
new corded jackets just in!
These would do any man jus-
tice! The windbreakers were
especially nice, and the fash-
ionable basque shirts, a real
treat. If swimming's one of
Dad's favorite pastimes, then
don't overlook the array of
comfortable bathing suits.
And also for casual wear are
the colorful jersey sport shirts.
These are eye-pleasing com-
binations of grays, greens,
and beiges that are perfectly
at home on the beach, golf
course, or just in the back-
yard. The low price of \$3.95
will give you an idea of the
excellent values at Green-
field's. Stop by today and

be found in breathtaking ar-
ray at Nettie Greene's. All
the newest shades of gentle
yellows, soft blues, for a my
pinks, and enchanting greens
are featured for this month's
bride. Negligees framed in
sweet embroidery and shy lace
lend an air of modest allure.
These wisps of beauty will
make a bewitching trousseau.
For the lady bound for vaca-
tion fun, lovely lingerie is also
a "must". And for the young
miss who is heading for camp,
tailored slips and pajamas fit
the bill. Visit Nettie Greene's

A VISIT to food stores in this area can mean a prize for Newton families from girls of the Hormel Girls' Corps. The girls, like the one shown here, are all ex-G.I.s and will be in Newton June 7 from 11 a.m. to 1 p.m.

Hormel Girls to Be In Newton Tuesday

More than 60 smartly-uniformed girls of the Hormel Girls' Corps—all of them former Wacs, Spars, Waves and Marines—will offer valuable prizes to every family in Newton Tuesday, June 7 from 11 a.m. to 1 p.m., it was learned today.

The Girls' Corps, now touring the United States, features a drum and bugle corps, a marching unit and a radio band and chorus. The group has appeared in nearly every section of the country.

The girls also broadcast their own radio show—the only show of its kind—for half an hour every Saturday morning at 10 o'clock on the American Broadcasting Company coast-to-coast network.

On the day they come to town, the girls will visit with homemakers in food stores here. In the stores they will give away coupons good for whole hams, quarter hams and many other canned meat items. Any customer who has obtained a picture of one of the Hormel Girls from her grocer, and visits her store while the girls are there, can win a prize.

It was emphasized by advance men for the Girls' Corps that no purchase of any sort is required to win a prize. Simply by going to the grocery store with a picture of your lucky Hormel Girl, you become eligible for one of the prizes to be given away by the girls.

Newton grocers are urging customers to come in and get a picture of their lucky Hormel Girl. And many merchants are planning special sales while the girls are visiting in the stores.

The galleries were crowded with school children and House members at the opening session on Wednesday afternoon. Rep McCarthy of Bridge-water presented a motion to elect a Sergeant-at-Arms. The Speaker of the House, Thomas J. O'Neill of Cambridge announced that a meeting of the Rules Committee will be held. A recess was taken which lasted nearly one hour. Upon his return the Speaker of the House announced that the motion which Rep. McCarthy made will be heard on Tuesday.

There have been several attempts to elect a Sergeant-at-Arms. If one was not elected now by the legislature, the Governor had the right to appoint one after the legislature prorogued. However, a ruling was found that the legislature may now vote for the Sergeant-at-Arms without waiting. Mr. Arthur Driscoll acting Sergeant-at-Arms in the Senate is the only Republican candidate for the job.

The underground garage to be built in the city of Boston will not be tax free. After a debate lasting more than an hour and a half, a roll call was taken and

A lively debate which lasted an hour and a half took place in the House on the measure to retain the Airport at Westfield. Members participating came from Westfield, Springfield and Worcester. The Westfield-Barnes Airport at Westfield is the only commercial airliner stop in the western part of the State and it will be the end of commercial transportation if this airport is abolished. The bill calls for the State to buy this property and improve it. The Committee on Ways and Means rejected the bill as the cost will be terrific. There were a steady stream of members walking to the mike to speak or protest the passage of the bill. Many hard words were passed around by the members interested in passing or opposing this bill. One member stated that this airport must be retained because it will bring in revenue to the State and if not retained the airliners will go to Bradley Field in Connecticut. The measure was killed in the House.

"We are known as the craziest State in the Union," said Rep. Dullea at a hearing before the Committee on Ways and Means. "We have more people in our institutions per capita than any other State in the United States." Rep. Dullea cited several cases of people being railroaded in mental institutions without the benefit of reputable physicians, and are powerless to get free. H-2407 and H-662 calls for an investigation and study by a special commission relative to the admission or commitment of persons to institutions under the jurisdiction of the Department of Mental Health and to their rights when so admitted or committed. The cost estimated by Thomas H. Buckley, Chairman of State Commission on Administration and Finance is \$25,000.

The House killed the measure to impose a one cent tax on gasoline to provide funds for maintenance of local roads and removal of snow in cities and towns.

The veterans preference bill in Civil Service was debated in the House Wednesday afternoon. Rep. McCarthy of Bridge-water pleaded that this bill should be referred to the next annual session. He said it will cause a great deal of confusion, and the veterans are not in favor of this bill. The bill calls for veterans preference for promotion and they go to the top of the list. Many amendments were offered and killed. Several members tried in every way to secure a roll call so that the voters will know how they voted on the measure. During much shouting by a member of the House demanding a roll call an elderly member of the House leaned too far back in his chair, dropped to the floor, causing more confusion and laughter, which added to the din and noise in the House. The roll call was taken and the bill was passed to be engrossed and under Rules suspension was sent to the Senate for immediate action. Representatives Whitmore and Rawson of Newton voted to refer the bill to the next annual session. Rep. Margaret Spear leaving the House before the roll call. Vote for engrossing was 86-148.

Mothers Luncheon Prepared by Girls

The Girls' Playroom of the Davis School was a gay scene last Saturday noon when the mothers of the members of the Girls' Cooking Groups of the West Newton Community Centre, Inc., arrived for the demonstration luncheon which the girls had prepared in their honor and for the closing meeting of their class.

A variety of sandwiches and a dessert of cottage pudding had been prepared before the mothers arrived, and were served by the girls. Punch for the girls and hot tea and punch were offered to the mothers and other invited guests. Following the lunch, which was prepared under the direction of Mrs. Thomas Lepore, the leader of the cooking groups, Mrs. Hugh L. Robinson, past president of the Board of Directors, and present chairman of the Day Camp committee, spoke briefly to those attending, and ended her talk with the story of the three bears, told in Chinese. Mrs. Robinson was formerly in the Mission Field in China.

Mrs. Hollie Turner, Mrs. William Shaughnessy, Mrs. Samuel McClary, Mrs. Earl Kockenderfer, Mrs. James Connors, Mrs. Joseph Venuto, Mrs. Carl Nelson, Mrs. H. Raymond Lavers, Mrs. Alexander J. Dolitka, Mrs. Matthew Jefferson, Mrs. Hugh L. Robinson, Mrs. Walter Tong, and Mrs. William H. Cady, executive director of the "Centre" were among the guests.

The members of the cooking classes which participated in the event included Mary Dolitka, Carol Lavers, Eleanor Nelson, Marie Venuto, Gail Connors, Janet Kockenderfer, Arlene McClary, Carol Shaughnessy, Joan and Jane Turner and Mary Jane Barry.

Rum Flavoring Gives Extra Special Delight

By DOROTHY JAMES

Dessert seems to be the forte of small fry and their elders alike. We've come across some grand new recipes that are so tasty that we want to pass them on to you.

Next time you feel the urge to bake a peach pie again, we offer this rather novel method.

Rum Peach Pie Delight
Make a deep dish peach pie—layer atop layer of golden red fruit . . . each touched with a bit of brown sugar. Measure your medium-bodied New England rum carefully now . . . a teaspoon per layer. When your pie is baked, build a meringue of fluffy egg whites and marsh-mallow with a hint of rum to carry out the filling flavor. Return to the oven for three minutes, five at the most, and you are ready to serve it.

Chances are that you will not be spending too much time round the kitchen these days. More time will be needed for the garden and some well deserved relaxation with lighter meals, now is the time to serve the following dessert. Its wonderful richness is only exceeded by a glorious and mellow flavor.

BABA AU RUM
1 yeast cake
1/2 cup water (lukewarm)
1/2 cup flour
6 tablespoons butter
1 egg

"God The Only Cause and Creator" is the Lesson-Sermon subject for Sunday, June 5.
O Lord, to receive glory and honour and power; for thou hast created all things; and for thy pleasure they are and were created" (Revelation 4:11).
Sermon: Passages from the Bible (King James Version) include:
"Thine, O Lord, is the greatness, and the power, and the glory, and the victory, and the majesty; for all that is in the heaven and in the earth is thine; and thou art exalted as head above all" (I Chronicles 29:11).
Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:
"The Scriptures imply that God is All-in-all. . . . He is divine Principle, Love, the universal cause, the only creator, and there is no other self-existence. He is all-inclusive, and is reflected by all that is real and eternal and by nothing else. He fills all space, and it is impossible to conceive of such omnipresence and individuality except as infinite Spirit or Mind" (p. 331).

Red Cross Bloodmobile To Be At Chapter House June 9-10

Two important dates to be checked on every Newton citizen's calendar are June 9 and 10. On these dates the Red Cross Bloodmobile will be at the Newton Chapter House to receive blood donations from all those in Newton who would take this opportunity to be of real neighborhood service to their fellow man.

Newton's slogan in this Red Cross National Blood Program:

"Now, Blood Is Everybody's Business," has real significance for everyone. When you give blood through Red Cross, you give it for the benefit of any man, woman or child who may need it. Any one can have it for the asking. There are no restrictions and it doesn't cost a cent.

Giving blood is really a simple procedure. Just phone for your appointment. When you go to the Chapter House you are given a careful check to make sure you are "up-to-par." A medical staff of six trained nurses and a doctor are in attendance at all times. You rest comfortably as a trained assistant arranges your donation. In a few minutes you are joining other donors in a cup of tea and enjoying that contented feeling that you have done something big for your neighbor.

Life cannot be had for money—but life can and does respond to blood.

The need for blood is ever increasing. One out of every thirty-five people will need blood this year. We can't afford not to have it ready. In order to help individuals in need of blood—whether the need is due to accident, surgery, or body building—The Newton Chapter definitely depends upon the help of healthy people. Human blood today is a public health measure, like the measles serum supplied by the Red Cross to your physician free of charge. (This serum is a by-product of blood.) It will become an ever more vital medicine as more of its exciting mysteries are solved. It cannot be made synthetically. The only source of supply is the blood bank of human veins.

And, when disaster strikes, your blood means life to many. So Red Cross helps you create this Blood Bank for every human need, for everyday living and all the wonderful new discoveries that mean health to you and yours.

Here is a good, practical outfit for your boy, at a price that won't hurt your budget.

Wendell H. Berry Elected President

At a recent meeting of the Waban Improvement Society, the following were elected to office for the 1949-1950 fiscal year: Wendell H. Berry, President; Archibald M. Price, Vice President; and Frederick T. Harvey, Secretary-Treasurer.

Directors: Harry S. Cleverley, Israel Friedlander, Charlesworth K. Neilson, John R. Peterson, John H. Shaughnessy, J. Howard Snow, Mrs. Allen D. Bliss, Mrs. Newton C. Burnett, Mrs. Donald H. Gosch, Mrs. J. Howard Loughman, and Mrs. Edson B. Smith.

The Society's history of over sixty years of service to the Waban community is a practical living demonstration of the kind of democracy in action which makes for good community living.

The Society's efforts have been directed to the maintenance of good community standing, neighborly cooperative effort and the sponsorship of many and varied improvements which have made the village of Waban a fine and delightful place to live and in which to bring up children.

The Waban Improvement Society is non-political in character and its primary purpose is to furnish the medium through which residents and property owners can express themselves on matters affecting the welfare of our community. The Society not only sponsors and cooperates with every worthwhile civic improvement and endeavor, but in many cases, initiates them for the good of the village.

Newcomer's Club

Thursday afternoon at the home of the president, Mrs. Matthias J. Flaherty, the board members of the Newton Newcomers' Club delightfully entertained those members of the club who have joined since they came into office.

Dessert was followed by an afternoon of contract with prizes being awarded to Mrs. Thomas H. Wilson, Mrs. James Chasnor, Mrs. Morris E. Rothwell, Mrs. Henry Brown and Mrs. LaRue Colwell. Others present besides the hostesses were Mrs. John Connor, Mrs. Edward M. Feeney, Mrs. Elliott Thompson, Mrs. Richard S. Williams, Mrs. Luke Weir, Mrs. Ronald Vincent with her house guest, Mrs. Vincent, Sr. Mrs. Flagg Newcomb, Mrs. Fred G. Woolf, Mrs. John J. Burke, Mrs. Carl A. Albrecht and Miss Dorothy Trefethan.

Bigelow Junior H. S.

As the twentieth of May, the day scheduled for the party of the Bigelow class of 1949, rolled around, everyone was interested to see the result of the hard work that many had been putting in. Mr. Ring, our class adviser, deserves much praise for his unflinching efforts in the interest of the ninth grade. Our committee chairman, consisting of Benny Woodroffe, heading the decorations; Joe Paoletti in charge of refreshments, and Bob Pruyne on the music angle, rallied their forces to make the party go over. With such plans the party was bound to be a success. At 7:30 all were waiting eagerly as Mr. Ring, acting as master-of-ceremonies, announced the first number. Many types of dances, such as a revised snowball, two square dances, and a "matching dance," livened the usual dance program. Nearly half-way through the party, the refreshments, cake, coke, and ice cream, were served. Having promised to serenade us with violin music, Mr. Ring produced his instrument with great flourishes, called one of the girls to the stage to play his "portable baby organ," and, as he tucked the violin under his chin, out poured beautiful music. Alas! he was forced to stop after only three minutes, because the record he had been following with a series of squeaks was over. All things considered, it must be said that none of the preparation was in vain. Anyone, gazing at the couples dancing around the decoration committee's Maypole, could not have felt anything but pleased at the results. In closing, a special vote of gratitude and thanks should be extended to our chaperones, Mr. Pray, Mr. Baker, and Mr. and Mrs. Anderson.

W. C. T. U.

The West Newton W.C.T.U. will hold their annual meeting next Tuesday evening, June 7, at the home of Mrs. Dana B. Clark, 42 Adella Avenue, West Newton.

Mrs. Helen Merriam and Mrs. Gertrude Grimes will be the assisting hostesses.

Robert M. Tichnor, son of Mr. and Mrs. Arthur Tichnor, 34 Jane Road, was awarded his Varsity Letter in Baseball at the annual Spring Sports Banquet of The Choate School held Wednesday night. Robert, a Choate Junior, has also been active on the Hockey Squad.

Katherine O'Gorman Pupils in Annual Dance Festival

Katherine D. O'Gorman, who conducts School of Dance at the Newton Centre Women's Club Tuesday afternoons presented 200 students in a program of dances at the New England Mutual Hall, Boston, last Tuesday evening, May 24.

Some of the special numbers were Ballet of Harlequin and Columbine, Old Fashioned Bouquet Pow-Wow Girls.

The students were guests of Miss O'Gorman at a party Tuesday afternoon of this week.

Miss O'Gorman is a former president of Dance Teachers Club of Boston and at present is Dean of The Normal School, conducted by the club; a member of the New York Society Teachers of Dance, Dance Masters of America, a graduate of Wellesley College Dept. of Physical Education Chalf School, New York.

Annual Dog Show to Be Held Sunday

Sunday Raceland will again provide the setting for the Annual Dog Show of the Framingham District Kennel Club, New England's largest outdoor show. Raceland, located in Framingham Center, is the beautiful estate of Mr. John R. Macomber where dog lovers and sportsmen can attend a show under perfect conditions.

More than seventy-five different breeds will be represented in this year's show and will include many of the nation's most outstanding dogs that have won top honors in leading shows throughout the country. The entries this year are expected to surpass 1,000. Judging of the breed classes is scheduled to start at one o'clock on Sunday afternoon. As before, the dogs will be benched under the large and colorful circus tents on the green and spacious infield lawn of the Raceland track.

Fireman Memorial Service Sunday

Sunday at 2:30 p.m. members of the Newton Fire Department will participate in the Memorial Exercises for their departed comrades at Fire Headquarters.

The firemen will assemble at Engine 3 station on Willow street and march to Fire Headquarters where the exercises will be held on the grounds near the Firemen's Memorial.

The order of exercises will be as follows:

Welcome Address

Chief John E. Corcoran

Invocation

Fire Chaplain Arthur I. Norton

Hymn Ave Maria

Address Hon. Edwin O. Childs

Roll Call, Chief John E. Corcoran

Hymn Lead Kindly Light

Benediction

Fire Chaplain R. P. McClintock

Taps

Star Spangled Banner

During the exercises the firemen will stand in formation at the Memorial and after exercises will reassemble and march back to Engine 3 station.

The public is invited to attend these exercises each year and it is the desire of Chief John E. Corcoran that a large gathering of citizens will be present, on this day, to honor the departed firemen.

In the event of rain the exercises will be held in the Mason School, Newton Centre.

Former Newton Girl To Wed Saturday

Mrs. Carl Adolf Anderson of Oliver Rd., Belmont, has issued invitations for the marriage of her daughter, Miss Helen Ingeborg Anderson, and Mr. Gordon Justus McKinley, son of Mr. and Mrs. S. Justus McKinley of Longmeadow, formerly of Newton. The wedding will take place at 3 o'clock Saturday afternoon, in Appleton Chapel, Cambridge. A small reception will follow in the Anderson home.

Miss Anderson will have her sister, Mrs. Keith L. Riley of Brookline, as her matron of honor.

Mr. McKinley's brother, Dr. Ross McLean of Baltimore, Md., will attend him as best man.

The ushers will be John Irwin of Concord and Keith L. Riley of Brookline.

Miss Anderson was graduated from Watertown High School and attended Mt. Ida Jr. College.

Mr. McKinley served as captain in the 26th Infantry.

Elected President Of Boston Life Underwriters Ass'n

Richard Fox Wagner of 25 Ridge Road, Newton, manager of the Connecticut General Life Insurance Company in Boston, was elected president of the Boston Life Underwriters Ass'n at the annual meeting of that organization held at the Boston City Club today (Thursday).

The Boston Life Underwriters Ass'n is the oldest and fourth largest association of its kind in the country, with a membership of more than 1,000 composed of life insurance officials and agents.

Mr. Wagner has long been active in association activities including the General Agents and Managers Ass'n, Supervisors Club and the Boston Life Insurance and Trust Council.

Fifty-five Graduate From Beaver Country Day School

The Beaver Country Day School graduated a class of 55 students at its 25th Commencement today (Thursday).

The following received diplomas: Miss Leslie Cass, daughter of Mr. and Mrs. Lee Sherman Cass, 264 Mill street, Newtonville; Miss Ruth Freedman, daughter of Mr. and Mrs. Robert Freedman, 115 Mandalay rd., Newton Centre; Miss Barbara Green, daughter of Mr. and Mrs. Malcolm Green, 51 Prospect ave., Newtonville; Miss Joan Howlett, daughter of Mr. and Mrs. C. —DAY SCHOOL—

Average Electricity Cost Per Home Here Only \$1.40 a Week

The electricity which serves the average home in Newton costs only \$1.40 a week—a very small part of the average family budget—according to Thomas H. Carens, Vice President of Boston Edison Company, who was the speaker at the regular meeting of the Newton Rotary Club, held at Braeburn Monday.

Mr. Carens, whose subject was "In the Public Interest," was introduced to 100 members and guests of the Rotary Club by Harold Secord, head of the Boston Edison operating crews in the Newton-Waltham district.

"Boston Edison Company has approximately 20,000 residential customers in Newton," Mr. Carens said, "and the average use of electricity in 1948 was 1700 kilowatt-hours, or approximately 142 kilowatt-hours per month. For this service Newton residents paid an average of \$5.80 a month, or approximately \$1.40 a week. Since more than 5000 Newton homes are now equipped with electric ranges, and more than 15,000 have electric refrigerators, we believe we are justified in saying that electricity is really a minor item in the family budget and that it provides more real comfort and convenience than any other expenditure in the budget."

Mr. Carens commented on the

Annual Grade School Concert Friday

Friday evening at 8:00 o'clock the young musicians of the Newton Public Schools will combine their talents to present a concert in the High School auditorium. The orchestra will number about 200 youngsters. In addition, a string quartet consisting of E. Carol Olson, William Segal, Allison Grotsema, and Judith Vogel, all of the Hyde School, will be heard.

Susan Johnson of the Clafin School is to render a cello solo and Nancy Lamb of the Carr School will play a violin solo. Other outstanding features of the concert will be a vocal ensemble from the Hyde School, a brass and drum ensemble from all the schools and a clarinet quartet consisting of Peter Elkind, King Webster, Donald R. Quinn, and Tenny Peck.

No admission charge will be made and the public is cordially invited to attend.

Increase of \$2 In Tax Rate Announced

Although an increase of \$12,549,100 in the valuation of real estate and personal property accrued to the city over the previous year, a \$2 increase in the tax rate for 1949 was announced last week by the Board of Assessors. The rate established for 1949 is \$36 per one thousand dollars of valuation and is the highest rate yet to prevail in Newton. Total valuation of real estate and personal property for 1949 is announced as being \$196,660,500.

A higher tax rate was averted by the transfer of \$482,165 from the surplus fund account. This amount was authorized by Mayor Lockwood and the Board of Aldermen recently.

Council of Churches Discuss New Methods of Teaching

Appeal Made For Left-over Material

The thoughtfulness and generosity of many housekeepers in Newton for many years encourages the Recreation Department to again ask for left-over materials. Odds and ends gathered during the year such as spools, stockings, beads, ribbons, tape pieces of silk or cloth, paper dolls, embroidery materials and woolen articles are greatly welcomed. The response to this plea has always been generous and the materials donated have helped to keep many hundreds of little children busy and happy during the summer vacation.

Make Provision For Pets While Away

If you plan to move or go on vacation, please give forethought to whatever arrangement you intend to make for the care of any pet you may have, dog cat bird or other animal.

Animals, Cats in particular, have an uncanny way of sensing in advance any disruption of their ordinary routine. They often will leave home or hide and cannot be found when the family is ready to close the house with the result they are left behind to become strays and a nuisance in the neighborhood. Contrary to the belief held by many persons, domestic animals are not equipped to take care of themselves; they are dependent upon man to whom they look for protection.

If your pet is to be boarded while you are away, be sure arrangements are made well in advance. If he is to be taken with you, keep him in or under control while out-of-doors when it is nearing time for your departure so that he will not be "among the missing when you come to leave. If he must be disposed of, take or send him to the nearest animal welfare organization.

Approximately 760 members of the senior class will receive their diplomas at the annual Graduation Day exercises of the Newton High School Saturday evening at 7 o'clock in the Dickinson Stadium on the school grounds. Among the graduates will be a number of veterans, including two boys who completed their diploma requirements through the United States Armed Forces Institute and Service Training Courses. Diplomas are also being awarded this year to two girls at the New England Peabody Home School.

Increases Granted Newton Pensioners

As a result of action taken Monday night by the Board of Aldermen, almost 100 Newton pensioners were granted increased amounts under provisions of Chapter 588, Acts of 1948.

The act provides that the pensions of employees retired prior to January 7, 1946, be increased by \$200 per year; provided that such increase shall not make the total amount received more than \$1500 per year. The increase

Aldermen by Vote of 18 to 1 Reject Arena Proposal

By a vote of 18 to 1, the Board of Aldermen at its meeting Monday night, overruled the recommendation of the Planning Board and amended the Zoning Ordinance by granting two petitions brought by residents of Auburndale to change land near Norumbega Park to residential in order to prevent the construction of a proposed sports arena in the park.

Monday night's action by the aldermen eliminates the possibility of erecting a huge indoor sports arena capable of seating 13,000 in the Norumbega Park section.

The proposal for the sport arena was introduced at the May meeting of the board when Representative Howard Whitmore, Newton, spoke in favor of the proposal. At that same meeting Herbert N. McGill, representing a group of residents of the area, spoke against the proposal and submitted two petitions to the board asking for a rezoning of Auburndale to a general residential area.

The Planning Board voted against the petitions and reported that no change was needed in the present zoning plan since no large manufacturing plant was contemplated for Auburndale.

The committee on claims and rules voted in favor of McGill's petitions. The matter was then referred to the Board of Aldermen because the planning board had disapproved of the petitions. A three-quarter majority was required Monday night to make the zoning change.

The petition has been sent to Mayor Lockwood and the zoning change will become effective when he signs them.

or Associate in Science, from the Chairman of the Newton School Committee, David W. Tibbott. This year will mark the second commencement of the rapidly growing junior college. Established in 1946 to meet the needs of veterans and civilians unable to enter the colleges of their choice because of crowded conditions, the Junior College has enabled many boys and girls to continue their studies after high school graduation in college-transfer and terminal courses. The college curriculum offers a wide variety of subjects in the liberal arts, pre-engineering, business administration, and the technical-vocational areas. Approximately half of the students transfer to higher levels in other colleges, while the other half terminate their collegiate education at the end of one or two years.

Newton Chairman Ernest G. Angevine of West Newton has named the following precinct chairman to head up the Children's Hospital drive in their communities:

Auburndale, R. F. Cleveland; West Newton, John Crankshaw; Oak Hill, John Specton; Newton Centre, Joel Bulkley; Chestnut Hill, Ernst Parsons; Waban Hill, Mrs. Edward Silver; Newton Lower and upper Falls, Mrs. Bert Wolford; Waban, Carl Ray; Newton, Mrs. R. Beeuwkes, Jr.; and Newton Highlands, Warren Oliver; Newtonville, Mrs. Mathew Berman.

Plans for conducting the drive discussed last week at a meeting in the home of Ernest M. Parsons, 399 Hammond St., Chestnut Hill. Campaign Chairman Angevine appealed for help in organizing the Newtons so that the drive here can get rolling in high gear as soon as possible. The date of active solicitation will be set by

Mr. Angevine and his committee soon.

"The Newtons form an important segment in the campaign to expand the Boston Children's Hospital," said Mr. Angevine. "We'll need all the help we can get to achieve the Newton objective in the drive."

Remember that losing your money is not the worst thing that can happen to you. Without health or reputation a man is really lost.

move to eliminate the mosquito nuisance.

The Directors of the Oak Hill District Improvement Association met to map out an ambitious program for the coming year for the community, which is one of the fastest growing villages in the State. Within the last year, over 400 new homes have been occupied by new residents to the district. The Oak Hill School which was built in 1935 as a result of the initiative of the Association, now has more children than it can accommodate and has made it necessary for additional schools in the District which the Association is urging be erected speedily. One school

which the city hopes to start within a few months will be the Memorial School in the Oak Hill Park; the other which is desperately needed is the Spaulding School on Brookline Street.

There will be a Hearing at City Hall, on Monday, to consider a petition by residents in the Oak Hill Village to change the area opposite the Oak Hill School to a Residential one from its present business designation. Giving as their reason that the character of the neighborhood has changed and there is no demand in that section for a business development. Besides its proximity to the school, lack of transportation and the closeness of stores in Newton Centre, Newton Highlands, Chestnut Hill, South Brookline, Hancock and Oak Hill Park Developments makes additional stores undesirable and might lead to distress occupancy in time. Residents will be given the opportunity to express themselves on this subject and should be alert to keep the District as free as possible from business exploitation—since it is almost exclusively a residential community.

Residents are asked to keep the Police Department informed of times when property will be left closed while folks are vacationing or week-ending. The Oak Hill District Association is making a study of the water pressure system in the District to ascertain its adequacy for the increased needs. Water is such an important commodity in any community—for household use, fire protection, etc., that it feels it wise to have a check on the present supply.

The following Committee Chairmen were appointed by the Association: Public Relations, Henry S. C. Cummings, 33 Oak Hill Street, Newton Centre; City Hall Affairs, Eric A. Bianchi, 234 Greenwood street, Newton Centre; Oak Hill Park Affairs, Franklin N. Flaschner, 104 Osborn Path, Newton Centre; Zoning Matters, Henry W. Keyes, 40 Puddingstone Lane, Newton Centre; School Affairs, Werner A. Senn, 16 Howe Road, Newton Centre; Transportation, Robert W. Blakeney, 123 Wiswall Road, Newton Centre; Safety and Health, Donald M. Hill, Jr., 24 Solon street, Newton Highlands; Membership, Russell S. Broad, 17 Brush Hill Road, Newton Highlands; Inter-Association, John B. Stetson, 80 Dedham st., Newton Highlands; Annual Meeting, Harold F. Tracy, 6 Hagen Road, Newton Centre. The Directors will meet every other month on the first Monday.

Teaching

(Continued from Page 1)

Sunday School superintendents of the 25 member churches of the Council and was presided over by Dr. Wesner Fallow of the faculty at Andover-Newton and chairman of the Newton Department of Christian Education.

Chief speaker was the Rev. John Edward Thomas, director of the department of Christian Education of the Massachusetts Council of Churches, who outlined the various methods and schemes for teacher training and explained the working of the "laboratory method."

It was enthusiastically decided by those present that teacher training for interested member churches would be set up this fall in the form of laboratory schools to operate in a regular church school schedule in various Newton churches. The department in these churches will be under the supervision of a "master" teacher and the model classes will be attended by the teachers in training, who in turn will have opportunity for directed teaching of the model class. During the week the cooperating teachers will sit down with the "master" teacher to discuss progress and to analyze methods being used.

The localities of the laboratory schools were tentatively selected at the meeting. They are as follows: Church of the Messiah, Auburndale, primary; Auburndale Congregational Church, junior; and the Union Church in Waban, Intermediate. The Council hopes to be able to establish a similar kindergarten school by the time the program goes into effect. Registration for these schools will necessarily be limited by the enrollment of the pupils and priority will be given first to teachers from churches which were represented at the special meeting and next to other member churches. Opportunity for Registration will be offered the first two weeks in September through the Newton Council of Churches office.

Sirloin Tip Beef Sandwiches

SANDWICHES—ALWAYS FAVORITE FOOD FARE—take on an added appeal when made with sliced Sirloin Tip beef roast and served in a "homey" kitchen setting. Roast top quality Sirloin Tip beef fat side up on an open rack in a pre-heated oven (325), without water or cover. For a seven to nine pound roast cooked to the rare stage, allow about 15 to 20 minutes per pound or an approximate total time of two hours. Increase the minutes per pound to 20 to 25 for medium done and 25 to 30 for well done with an approximate total time of two and one half to three and one half hours, respectively. To complete the sandwich "makings" provide tomato slices, homemade relish, and an assortment of breads. Pan-browned potatoes and plenty of hot coffee satisfy "extra-hearty" appetites.

anini in 1828 at the Countess' request.

The correspondence between the English poet and the Countess on which articles are appearing currently in the Atlantic Monthly, will be published in September by Scribners. The articles speak of the Countess as the poet's "last, longest and perhaps deepest attachment."

Mr. Bortman, who collects miniatures and obtained the Lord Byron picture in New York explained that "this is the only known likeness of Lord Byron in America that has such romantic association with anyone who played so important a role in his life."

The miniature was given by Mr. and Mrs. Bortman in honor of their daughter, Jane, who was graduated from Smith College this month, her classmates of the class of 1949, and Mrs. Priscilla Van der Pool, associate professor of art and dean of the graduating class.

Worth its Price in Peace of Mind!

White sidewall tires available at additional cost.

SOON AFTER YOU take possession of a 1949 Cadillac, you will find that it has brought you something almost priceless which only ownership of the car can reveal.

You will find that each time you start the motor, and roll out into the street or highway, you have the wonderful conviction that you are wholly the master of every driving situation.

You will know—from experience—that the powerful, eager engine will put you any place in the traffic line you wish to occupy . . . almost as quickly as you reach the decision.

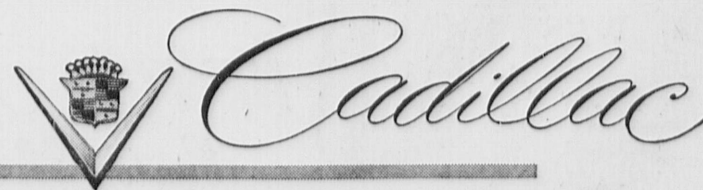

You will know that the big, velvet-soft hydraulic brakes can settle you down to a stop or a snail's pace

—under the slightest pressure from the daintiest foot. You will know that you are as nearly free from mechanical failure as it's possible to be.

And you will know that you and your passengers are riding in all the safety a motor car can afford.

Sitting there at the wheel—with the motor running so quietly you can hear the soft ticking of the electric clock—and with the miles sliding by so easily that each one is a special delight—we think you'll agree that a Cadillac is worth its price in peace of mind!

Why not move up to Cadillac when you purchase your next car—and enjoy this great mental satisfaction which only the "Standard of the World" can bring you?

friendly cooperation which exists between Boston Edison Company and the City Government of Newton. The Company pays approximately \$90,000 a year in taxes to Newton, and the City in turn spends about \$150,000 for street lighting and other municipal purposes.

"In many of the cities and towns which we serve," Mr. Carens said, "the amount which the Company pays, in taxes is more or less a standoff with what the town pays for electricity. But in Newton, the advantage in our favor is due to two factors: (1) the tax rate is low, as compared with other cities and towns; and (2) your standards of street lighting are the best in our territory."

Commenting on some recent suggestions that electricity might be obtained by development of the water power in the Charles River, Mr. Carens pointed out that such a development would be neither economic nor feasible, that it would cause such tremendous damage to property along the river banks that there is little prospect of its ever being considered. Between the Newton Upper Falls where the Charles River first touches the city and the stretch below Norumbega Park where it enters Waltham, the Charles River falls about fifty feet. Full development, therefore, would call for a dam fifty feet high somewhere east of Norumbega Park. Such a dam, he said, would flood the valley as far up the river as the Upper Falls and would place Norumbega Park, the Riverside Golf Club, etc. under many feet of water.

"It must be obvious," Mr. Carens said, "that the property

damage alone of such a development would approach a cost of one hundred times more than the total value of the electricity which might be generated in any one year. Yet there are those in Washington, and in other parts of the country, who actually advocate hydroelectric developments which are no more feasible of economic than that of the Charles River."

To every man, woman and child
with a dollar or more in a Savings Bank:

Do you want taxes on
mutual Savings Banks
increased tenfold?

There is a proposal now before the Massachusetts Legislature to increase the tax on mutual Savings Banks to approximately ten times the present tax.

The Trustees of the Savings Banks in Newton have a responsibility to the people who have entrusted their savings to these non-profit institutions, which are in business solely to encourage thrift. It is their duty to point out that this proposed new tax puts an extra burden on every man, woman and child with a dollar or more in a Savings Bank—which means nearly three out of every four persons in Massachusetts.

It is not a tax on "the bank", because mutual Savings Banks have no stockholders; the depositors are the owners of the Banks. Their Trustees serve without salary in the public interest. All earnings of a Savings Bank belong to the depositors, after expenses and reserve requirements are met.

A tax on Savings Banks is a tax on the depositors themselves.

Most savings deposits represent the sacrifices of wage-earners and others of moderate means, who have worked hard and sacrificed much to put away a few dollars in the bank. All accounts in a Savings Bank are small accounts, because their size is limited by law. A great many are maintained for children. Many more are church funds and other small trust funds, which are kept in Savings Banks because of the reputation these banks have earned for safety.

It is unfair and unwise to single out the savings of thrifty people, in one type of banking alone, for discriminatory taxation.

Thrift should be encouraged, not penalized.

If you — or your children — have deposits in a Savings Bank,
you can protest against this measure by writing or telephoning
to your Representative and Senator in the Legislature—at once

RANDOM CLIPPINGS . . . Married 10 times and preparing for an 11th ceremony, Alice Emert Wells with the explanation, "I got cold feet" . . . Deputy Clerk James O'Connell of Nashville also reported that a prospective groom turned in his marriage license, got his money back and used it to obtain another license to wed a different woman . . . Down in Miami, Fred H. Kautzman complained that a druggist had mixed up the labels on his prescriptions. As a result, he told the clerk, he had been drinking his hair tonic and massaging his scalp with the medicine intended to cure his stomach condition . . . Edward J. Jeffries of Schenectady, N. Y., was sentenced to 50 days in jail for walking around town removing parking tags from automobiles . . . In Trenton, N. J., the New Jersey Supreme Court dismissed Mrs. Lillian Brown's suit for divorce, ruling that since she had changed the lock on the door and had refused to let her husband into the house, she could hardly complain that he had deserted her . . . Out in Milwaukee, Landlord Oswald Hemmerling, suing to evict Tenant Charles Baumgartner, claimed that Mrs. Baumgartner had fed garlic to the Hemmerlings' dog . . . Fred Viegel, 19, of Ann Arbor, Mich., winner in 1947 of an essay contest on fire prevention, was arrested recently for burning down a rural school . . . The Bell Aircraft Corporation in Niagara Falls received a letter from a prisoner in an Illinois penitentiary who asked: "How long a warmup is needed for a helicopter? What is the down payment? Will it carry two people? . . . Elmer G. Noe, charged with violating the Los Angeles traffic laws, insisted in court that "even though I was driving with one arm around my girl friend, everything was under control." Judge Roser A. Pfaff commented sharply: "Young man, I was young once myself. Everything cannot be under control in those circumstances" . . . A recent advertisement in the London Times read as follows: "Bridegroom, anxious, unintelligent, lost for wedding speech. Any humorous suggestions welcome" . . .

RANDOM CLIPPINGS . . . Over in Leeds, England, Robert Davies was granted a divorce after he testified that his wife pulled the bath mat from under his feet while he was shaving . . . Out in California, Mrs. Calogera Cassaro, seeking a divorce after 64 years of married life, charged that although her 86-year-old husband is able-bodied he has lately been living in idleness, profligacy and dissipation." He sounds as if he must be a walking advertisement for vitamin pills . . . When Hotel Clerk P. C. Taylor of Denver told a would-be holdup man, "You'd better get out of here," the latter withdrew, whining, "I'll be back with someone who has more nerve than I have" . . . When authorities of Highland Park, a suburb of Detroit, put up a sign reading, "You are now entering the city of lower taxes," Detroit authorities in reprisal erected counter-signs reading, "You are now leaving Detroit where life is worth living" . . . Lloyd Sampsel of San Diego sent a notarized statement to the bureau of internal revenue promising to attend to his tax form just as soon as possible. He added a postscript explaining that the reason he was late in filing his return was that he was in jail for murder . . . The manager of a chain of movie houses in Taylorville, Ill., received a letter containing a \$5 bill and a note which read: "This money is in payment for the times I lied about my age in order to get into the show for half price" . . . After admitting to Columbus, O., police that he had broken into 11 safes, Kenneth L. Scott told police: "I'm the third best safe-cracker in the country, and I'm not sure the other two are better" . . . The Public Health Bureau in Tokyo announced that the results of a survey of "democratic habits" showed that college students chose as their kissing partners: 1) coeds 60 per cent of the time, 2) waitresses 20 per cent of the time, 3) maids 10 per cent of the time, 4) other females 10 per cent. What that indicates or proves we wouldn't know. But the statistics came over the cable lines from Japan . . . When George Tucker was fired from his job as a waiter in New York because he intended to write a novel and his boss thought it might embarrass patrons, New York State Mediation Board Arbitrator Sidney A. Wolf ordered his reinstatement in a ruling which said: "To deny a would-be author employment might well stifle literary and creative genius" . . .

Community Centre Directors Meet

The monthly meeting of the Board of Directors of the West Newton Community Centre, Inc., was held Tuesday, in the Portable Building, with the president, Mrs. William Helms presiding. This was the last meeting until fall.

Mrs. Frederick Wells, Chairman of the Fall Rummage Sale and Mrs. Lewis Achon, Jr., vice-chairman, announced October 5 as the date of the sale and urged all members to start saving merchandise for this popular event.

Mrs. Hugh L. Robinson, chairman of the camp committee reported a six weeks day camp will be run in conjunction with Pomeroy House. Mrs. William Cady, executive secretary of the West Newton Community Centre, will be the director of the camp.

Guy Kibbee to Be At Wellesley Summer Theatre July 19

Guy Kibbee, one of America's most lovable and able stars of stage and screen, will make his only Massachusetts appearance of the summer at the Wellesley Summer Theatre in Paul Osborn's hilarious comedy, *On Borrowed Time*, July 19. Eldon Winkler announced today.

Mr. Kibbee, who has 126 movies to his credit plus many New York hits and tours from Maine to San Francisco, is preparing *On Borrowed Time* for a revival on Broadway, where it originally ran for 321 performances.

Michael Collins, the young boy actor from New York will be featured as Pud. The Wellesley production will be directed by Henry B. Williams and designed by Charles E. Rogers.

Exercises Held for Home Nursing Course Graduates

MRS. WALTER HOOD and Mrs. Leo Bova, Home Nursing Chairmen of the Newton Chapter, American Red Cross, awarding certificate to Mrs. Orlando, Home Nursing Graduate. Reading left to right: Mrs. Orlando, Mrs. Bova and

Over one hundred men and women who had completed the Home Nursing Courses offered by the Newton Chapter, American Red Cross, were graduated at exercises held Thursday evening 8 p.m. at Memorial Hall, City Hall.

The graduating group and their guests were welcomed by Mrs. Robert Moore, Jr., Chairman of Nursing Services, who in turn introduced the Chapter Chairman, Mr. Maxwell Gaddis and the Executive Director, Mrs. Francis Harris. Following their words of greeting, the program under the direction of Mrs. Ruth Taylor, Director of Nursing Services, was presented.

The program consisted of films developed by the Yale Clinic of Child Development, and showed patterns of infant behaviour under one year, with an accompanying narrative by Doctor Arnold Gesell.

Then a most amusing skit was given by Home Nursing graduates, Mrs. Dorothy Orlando, Mrs. Florence Poirer, and Mrs. Kenneth Quartermain. They portrayed the frantic situation which could arise when illness strikes a home unprepared to cope with such an emergency and how the doctor's time, the patient's money and health are saved by the competent care a neighbor gives who had taken the Home Nursing Course.

Mrs. Hood and Mrs. Bova then awarded certificates to graduates of both the Unit I and Unit II courses, each of which comprises six lessons. The Unit I course covers care of the sick and injured in the home—while Unit II course is concerned with family health—teaching mothers and fathers how to care for their expected child or new baby and what to expect from the national, state and local health agencies.

Following the program the group met in the committee room for refreshments and an informal general get-together.

These courses are free. Any individual or group interested may enroll by telephoning Mrs. Taylor, at the Newton Chapter, American Red Cross.

Interesting Program Is Being Planned

There is an interesting program being planned for the child who will be at home most of the summer, by the Duncabury School of Arts, Inc., 205 Commonwealth Avenue, Boston. It will include art, music, drama and dance.

While having a really good time, the education of each child will be enhanced during the summer months. In the field of art, he will be able to express his talent through the medium of crayon, pastel, oil-clay or finger-painting. If musically inclined, he will have the opportunity of progressing in this field. In the drama class there will be corrective speech, diction, and also the pleasure of taking part in little plays. The dance program will develop good posture as well as eurhythmics.

Newton Boosts Tax Rate \$2, To \$36 Level

The Newton Board of Assessors announced today that the city's 1949 tax rate would be \$36, a \$2 increase over that of last year. The increase was attributed to a budget \$1,000,000 larger than that of the previous year, \$200,000 of which is accounted for by the 48-hour week for firemen. The assessors pointed out that a further tax rate increase was prevented by drawing on \$482,165 of the surplus fund for the year's expenses.

Total real estate and personal property valuation was reported as \$196,660,500, an increase of \$12,500,000 over last year.

Mr. Mayor,

say

"It isn't

so!"

or will WE have to ask

John A. Janse OUR candidate for MAYOR

to give answer to Newton citizens and property owners that YOU are wrong?

Last November YOU were DEFEATED in a referendum vote by the "free thinking" citizens of Newton when over 20,000 endorsed the humanitarianism of the 48 hour work-week for the Newton firemen, rated by the National Board of Fire Underwriters as "tops" in man-power efficiency. Were you "talking down" to these same 20,000 property owners and rent payers when YOU announced in the Boston Traveler that the \$200,000 was heavily responsible for the \$2 tax increase this year? Isn't it true that the actual cost of the new humane operation will cost \$135,000 and YOU have misled the voters regarding the step-rate wage plan that becomes operative four years hence? WHY didn't you emphasize that the cost of this 48 hour work-week actually added slightly more than a HALF CENT to the \$2 tax rate? Twenty thousand "free thinking" Newton citizens can't be wrong. Do YOU think so?

Increased Service Features Remodeled Finest Super Mkt.

Following a brief period during which the store was closed for extensive alterations, the First National Stores Supermarket at 22 Langley Road, Newton Center, reopened Wednesday. This remodeled food shopping center brings to the community some of the latest conveniences for efficient and easy shopping. Up-to-date equipment has been utilized to display a full line of grocery and meat items.

A company spokesman points out that the major objective of this remodeling is to bring increased service to the consumers of the area. "Wherever it is possible," he stated, "we are improving and enlarging our facilities for retail distribution. Service and values to shoppers in the Newtons are the considerations behind the extensive alterations in our Newton Centre Store."

A 45 foot extension has been made at the rear of the store. The added space has made possible the introduction of self service meats. This method of merchandising makes available to the housewife a wide variety of First National's famous meats. Each cut is cellophane wrapped and marked with weight and price for customer convenience. Meat displayed in this fashion is kept fresh by constant replacement from the cutting room.

Waste is eliminated in the preparation of the packages for display in the 70 feet of refrigerated cabinets. For persons wishing special cuts not on sale in the self service cases, the meat manager will provide personal service, preparing the cut to specifications given by the customer.

In the fruit and vegetable department, a 50 foot mirrored back case will bring a full selection of fresh produce. Fresh fruits and vegetables in season have long been a watchword at First National and during the peak of the growing season, New England grown products are brought in fresh from the fields.

The increasing demand for fresh frozen foods will be served through the use of 4 frosted food cases. Studies of consumer demands for frozen foods have been made by company officials and the widest possible selection of such items will be available. The reach-in construction of the cases as well as the clear display of the many varieties will make this department a popular one with every customer.

First National features a wide selection of cheeses from all parts of the world and a special 30 foot dairy case will bring an interesting display of this tasty item. This triple deck, open refrigerated case will also contain the Company's well known Brookside milk in convenient containers.

A new department, unique in this area, is the Party Snack Department. This is a specialty department in which imported and domestic delicacies will be sold. Shoppers preparing for parties will find this an excellent place to pick up unusual items at reasonable prices.

Other features of the store will include two ice cream cases, a 14 foot candy display, a service fish department and bread and cake section. A new self service Handcraft bakery department will bring specialty bakery items to Newton shoppers. Orders will be taken for wedding, birthday and party cakes and pastries.

The 7483 square feet of selling space brings a complete choice of quality foods to Newton shoppers. Wide aisles and scientifically laid out grocery 'islands' provide the utmost in customer convenience.

Double strip fluorescent lighting and soft green painted walls combine to give a restful atmosphere for the shopper.

Seven checkout stands are designed to speed up the last part of the shopper's visit to the store. Four of the cashier stations are at the front of the store and three at the rear, leading directly to the large parking area. These stands are of the push-pull type and the checkers and cashiers have all taken special training.

Walter Hodgdon To Be Candidate For Mayor in November

Announcement was made this week that former Alderman Walter A. Hodgdon of 22 Elliot terrace, Newton Upper Falls, will be a candidate for Mayor in the November election. Mr. Hodgdon has been in the real estate business here for over 25 years. Mr. Hodgdon's candidacy now makes three avowed candidates for the office of Mayor. Others who have already announced their intention of contesting for the office are Mayor Theodore R. Lockwood, who will seek reelection, and John A. Janse, Newton contractor.

A native of Newton, Mr. Hodgdon was educated in the Newton schools and served on the Board of Aldermen in 1927 and 1928. He also was assistant assessor for several years prior to his election as alderman.

Mr. Hodgdon is married and has three sons and three grand-children. His sons are Walter J., who was in the Air Forces in the Pacific during his recent war; Charles R., who served with the Marine Corps in the Pacific; and George W., who served in the Army Air Forces in Europe.

In announcing his candidacy, Mr. Hodgdon stated that his platform "will evolve as we go along." He also stated that he advocated "more responsibility and less secrecy in city government."

Summer Schedule of Hours Of Newton Library Reported

The summer schedule of hours of opening at the Newton Free Library and the branch libraries will begin June 20 and continue until Sept. 15. In general, the change from the winter schedule means that the libraries are closed on Wednesday night and that there is a Saturday closing with the exceptions that the main library, the Newtonville Branch Library, the Boys' and Girls' Library, 126 Vernon street, will be open until noon on Saturday.

Wednesday night and Saturday closings of public libraries have become a rather general practice with the changed habits of library users.

Oak Hill Improvement Ass'n Concerned Over Water Supply

A serious situation was averted by the quick action of the Newton Fire Department in supplying water to the Peabody Home for Crippled Children in Oak Hill last Saturday, when the hospital was without it from 2 to 8 p.m. This is the second time in recent years that the fire department has pumped water up the hill to the hospital that serves 76 crippled children and a staff of 50. It was disclosed that there was less than 10 pounds pressure just prior to the shortage of water, when at least 30 pounds is needed. The situation never has been as bad as this year—due undoubtedly to the increased demand for water in the Oak Hill Park where 400 homes make a constant demand.

The question of lack of adequate water pressure for the district has been the subject of concern for a special committee appointed this last week by the Oak Hill District Improvement Association, which remembers that fires in the neighborhood in recent years have been handicapped by lack of water pressure when the emergency has been faced. The water pressure for Oak Hill, like the rest of the city, has been served by the tower on Institution Hill in Newton Centre—but, the Oak Hill Area is on a high table land and a number of spots have presented real problems to the city in fire protection—and in particular, the Peabody Home for Crippled Children which is most hazardous. The hospital uses approximately five million gallons of water annually—and the city has the responsibility of supplying it. A hospital cannot be run without a sufficient or safe margin of water.

About five years ago a portable water pump was supplied by the Fire Department and run continuously for three days before adequate water supply and pressure was restored. That was a dry summer such as this year. However, this year it is admitted that the increased demand for water in other parts of the Oak Hill District has been causing a lowering of pressure generally throughout the area and may require a number of changes to restore the community to a proper level for both health and safety requirements. The fact has been established that the water pressure in the Oak Hill area has been mostly between 8-10 lbs., whereas safety requires from 30-60 lbs. In the problem at the hospital, the City is being urged to supply a temporary booster pump, or to install a relay pump somewhere in the water line. If there is need for increasing the height of the water tower on Institution Hill so as to better serve this area, or to erect a supply —WATER—

Dr. Allen I. Sherman Elected President Of Davis School PTA

Dr. Allen I. Sherman of 80 Elm street, West Newton was elected president of the Davis School P. T. A. at the annual meeting held Monday June 6. Other officers elected were: Mrs. Allen Stone, first vice-president; Mr. James Remley, second vice-president; Mrs. George Koller, third vice-president; Mrs. Arnold Wood, recording secretary; and Mr. George Wurster, treasurer; Mrs. Arthur Senecal, corresponding secretary.

The speaker, Robert W. Katz, known as "Professor Tenney," who broadcasts over Station WCOB on Saturday mornings, was introduced by Mrs. Ralph Chisholm, program chairman. Mr. Katz stated that he tells stories of adventure and mystery for children and has been asked to go on a national hook-up with a sponsor. He is rated first among children's programs by Hooper. He said that the idea for his program originated in his home when he told stories to his children.

Mr. Frank Farmer reported that the P. T. A. has been successful during the past year due to the co-operation between teachers and parents. He listed the accomplishments during the past year included the covering of Cheesecake Brook on the school playground, a wire recorder and record library for the school. A new coffee maker was also purchased for use of the school and association.

The Davis School Orchestra under the direction of Mr. Frank Marotta rendered several selections before the business meeting which was conducted by Mr. Henry Donovan, the president. Reports of various committees were given and the meeting then adjourned followed by a social hour during which refreshments were served.

Mothers and Fathers Giving Girl Scouts A Real Camp-Lift

Girls Scouts in Newton are getting a real camp-lift from their mothers and fathers. The All-Newton Camp Site Committee, recruited by the various members of the Camp Co-ordinating Committee, are an energetic group of painting, scrubbing, carpentering, and brush-clearing mothers and dads who are preparing Camp Mary Day and Quabbin Day Camp for a spic-and-span opening later this month.

Everett H. Siebert Named Assistant Chief of Fire Dept.

Chief John E. Cocoran of the Newton Fire Department has announced the promotion of Everett H. Siebert to the grade of assistant chief.

Assistant Chief Siebert was born in Newton and resides at 173 Langley road. He was appointed a member of the department of January 29, 1927; promoted to the grade of lieutenant on September 21, 1936, and to captain on August 8, 1943. He has been acting assistant chief since February 2, 1949.

The promotion, which takes effect immediately, has been approved by Mayor Theodore R. Lockwood. Assistant Chief Siebert will be assigned to Station 3, Newton Centre.

All work is being done under the supervision of Mrs. Stanley Johnson, chairman of the Camp Mary Day Committee, Mrs. Garfield Drew, chairman of the Day Camp Committee, and the Girl Scout Field Directors for the Newton Council, Miss Mildred Kuntz and Miss Josephine McDonough.

Saturday, June 18th to Saturday June 25th has already been set aside as the week of "The Last Push" when it is hoped that many more mothers and fathers of Newton Girl Scouts and Brownies will telephone Girl Scout Headquarters to volunteer their skills and their muscle to make this the best camp opening on record.

Already, a number of parents have made remarkable improvements in the two camps with hammer, saw and paint. Chiefs of the painting division are Mr. and Mrs. Charles Frost of West Newton. Mr. H. Stanley Woodward has done some very effective carpentry; and Mr. George Cleary and Mr. Alfred Voysey have given long-term assistance in regard to insurance and the buying and selling of camp boats.

Other Scout parents from the various villages of Newton who have been working on the Camp Improvement Program are Mr. and Mrs. Walter Muller, Mr. Henry Whitmore, Jr., Mr. Earle B. Bourne, Mr. and Mrs. Stanley Johnson, Mr. and Mrs. John B. Swanton, Mr. and Mrs. Stanley M. Rowland, Mr. Raymond Firestone, Mr. James Thompson, Mr. Walter Leavitt, Mr. and Mrs. Harry Myers, Mr. and Mrs. Alfred A. Crandell, Mr. Theodore Malet, Miss Ursula Hayden, and Mr. and Mrs. John J. Gegan.

The problem of water supply, water transportation, water pressure is an exceedingly vital one. It may be that the 20 inch pipe from Charles River should be enlarged to adequately serve the district. It may be that the Water Department should supply booster pumps in several strategic parts of the system. However, it should never happen that water is not available in case of emergency—and, as it happened this last Saturday the Water Department was not available in the emergency because of the week-end—and the Fire Department had to be called in. The Oak Hill District Improvement Association is demanding that something be done immediately to rectify this dangerous situation—for the protection of the 1200-odd homes in the district. It is wrong to take a chance on the adequacy of water pressure in this part of the city. The lives of 76 crippled children are only a part of the stake—almost every home in the District is equally vulnerable, and the city must bear the responsibility in this situation.

The problem of water supply, water transportation, water pressure is an exceedingly vital one. It may be that the 20 inch pipe from Charles River should be enlarged to adequately serve the district. It may be that the Water Department should supply booster pumps in several strategic parts of the system. However, it should never happen that water is not available in case of emergency—and, as it happened this last Saturday the Water Department was not available in the emergency because of the week-end—and the Fire Department had to be called in. The Oak Hill District Improvement Association is demanding that something be done immediately to rectify this dangerous situation—for the protection of the 1200-odd homes in the district. It is wrong to take a chance on the adequacy of water pressure in this part of the city. The lives of 76 crippled children are only a part of the stake—almost every home in the District is equally vulnerable, and the city must bear the responsibility in this situation.

(Continued from Page 1)

In Mary Immaculate of Lourdes Church, Newton Upper Falls, Saturday, June 4, Miss Dorothy May Hurley, daughter of Mr. and Mrs. William E. Hurley of 362 Elliot street, became the bride of William Thomas Wilson, son of Mr. and Mrs. William Wilson of Needham. Rev. John Mulcahy performed the ceremony.

The bride wore a gown of blush ivory satin with sequins outlining the yoke of imported Chantilly lace. Her fingertip length veil of tulle was caught to a tiara of orange blossoms and she carried a cascade bouquet of white roses. She was attended by her sister, Miss Teresa Hurley, as maid of honor, who wore a hoopskirted gown of light blue faille taffeta with a matching hat and carried an old fashioned bouquet.

John Wilson, brother of the bridegroom, was the best man. The ushers were William E. Hurley, Jr., brother of the bride, and William Copping.

The bride was graduated from the Newton High School. Mr. Wilson is a graduate of the Needham High School.

Following a wedding trip to New York, Washington and Virginia, Mr. and Mrs. Wilson will reside at 368 Elliot street, Newton Upper Falls.

Dalhousie Lodge of Newtonville will observe Saint John's Sunday by attending the Church of the Messiah, Auburndale in a body at the 11 a.m. service. The Rev. Richard P. McIntock, rector, who is also Chaplain of the Lodge will conduct the service and preach on "The Open Door". There will also be a celebration of the Communion at 8 a.m.

Recent Weddings

Gilbert-Wallace

In the Second Congregational Church, West Newton, Friday afternoon, June 10, Miss Marnee Jane Wallace, daughter of Mrs. Mark R. Thompson of Boston, and Mr. Eben Wallace of West Newton, became the bride of Mr. Richard Kelley Gilbert, son of Mrs. Allyn T. Gilbert of West Newton. The 4 o'clock ceremony performed by Rev. R. Clyde Yarborough, was followed by a reception at the Wellesley Country Club.

The bride, given in marriage by her father, wore a gown of ivory silk faille with a veil of heirloom lace and train of illusion. She carried a prayer book with staphanotis and orchids. Miss Gai Galt of Exeter, N. H., was her maid of honor. The bridesmaids were Miss Marille G. Wallace of Chestnut Hill; Miss Marie Emmott of Woonsocket, R. I.; Miss Patricia Helms of West Newton; and Mrs. William Logan of Burlington, Vt. They wore gowns of rose marquisette with matching mitts and hats and carried cascades of lavender orchids and ivy.

The bride's mother wore navy marquisette with a matching hat. Mrs. Gilbert wore skipper blue marquisette.

Mr. David T. Gilbert of Needham was the best man and the ushers were Mr. William J. Gilbert of South Chatham; Mr. Richard W. Brown of Wakefield; Mr. Eben Wallace, Jr., of West Newton; and Mr. Walter H. Phillips of Newtonville.

The bride attended Kendall Hall School and Katherine Gibbs

School, class of 1947. Mr. Gilbert was graduated from Syracuse University in 1948. He is a member of Phi Delta Theta.

Cutler-Louden

In the Union Church, Waban, Saturday evening, June 11, Miss Lois Chandler Louden, daughter of Mr. and Mrs. Henry Albee Louden of West Newton, became the bride of Mr. Edwin Burton Cutler, son of Dr. and Mrs. Harold James Cutler of Needham. The 8 o'clock ceremony, performed by Rev. Joseph C. MacDonald, was followed by a reception at the Brae Burn Country Club.

The bride, given in marriage by her father, wore a gown of white slipper satin with seed pearls outlining the petal shaped neckline. Her fingertip veil was caught to a band of seed pearls and she carried a cascade of swansonia and gardenias. She was attended by her sister, Miss Jeanne Louden, who wore a gown of Ming green lace and chiffon, and carried pale pink gardenias and staphanotis. Wearing identical gowns and carrying deep pink gardenias and staphanotis, the bridesmaids were Mrs. Ellis J. Donovan of Needham, Miss Ann Louise Davis, Miss Dorothy Ann Krause, both of Waban, Mrs. Chester Blackley of Wollaston and Miss Barbara Waugh of Hanover, N. H.

Dr. Ellis J. Donovan of Needham was the best man. The ushers were Mr. Duncan Dewar of Worcester, Mr. Robert Wise of Needham, Mr. George Bickford of Grafton, Mr. Dana Danforth of Wellesley and Mr. James Ellis of Shaker Heights, Ohio.

The bride was graduated from Colby College, where she was a member of Chi Omega sorority. Mr. Cutler was graduated from Bowdoin College in 1945 and is a member of the class of 1949 at Tufts Dental School.

Following a wedding trip to Canada, Mr. and Mrs. Cutler will reside in Needham.

Dunning-Whitemore

At a 3 o'clock ceremony in the home of her parents Saturday afternoon, June 11, Miss Elizabeth Whitemore, daughter of Mr. and Mrs. Edward Spalding Whitemore of Nashua, N. H., became the bride of Mr. John Westbrook Dunning, son of Dr. and Mrs. Harry Westbrook Dunning of Waban. Rev. Morton Dexter Dunning of Granby, Conn., uncle of the bridegroom, performed the ceremony and a reception followed.

Given in marriage by her father, the bride wore a gown of bluish pink satin. As a headress she wore a lace shawl previously worn by her great-grandmother.

MICHAEL MULRYAN, right, New England distributor for the Radiant Mfg. Co. of Chicago, makers of the Radiant Screen, presenting an Excel Projector to G. Wilbur Woodruff of Newton Lower Falls, first prize winner in the recent Radiant Screen Contest. The purpose of the contest was to guess the number of glass beads on a screen in Atwood's Camera Shop, Newton Centre.

Her bouquet was of gardenias, flower girl. She wore pink dotted Swiss muslin. Mrs. Whitemore wore a gown of lavender nylon sheer and Mrs. Dunning wore pastel blue crepe

All Are Welcome

Old Sayings that make sense on party lines

The proof of the pudding is in the eating. Party line service is at its best when everyone shares the line fairly... like the housewife who takes time out between calls on her shopping list. In this way, her party line neighbors get their share of service — and incoming calls can get through, too.

A stitch in time saves nine. It's a wise idea to train young folks to be good party line neighbors. Teaching them to hang up the telephone gently, to make sure the line is clear before trying to place a call — helps them realize the value of courtesy in sharing a service to everyone's advantage.

Nothing succeeds like success. It's amazing the way party line co-operation improves service. Little courtesies make a world of difference! When people answer promptly, don't interrupt except for emergencies, give up the line graciously when the need arises, everyone gets better service.

A NOTE to all party line users

Half a million telephones have been added during the past three years in the areas we serve. But even this unprecedented increase has not yet caught up with all telephone needs. For example, many of those who now are on party lines have requested individual service or lines with fewer parties on them.

However, before these requests can be fulfilled, our first obligation is to provide everybody who wants it with some kind of service. That accounts for the vast increase of party lines.

Party line service is generally acceptable to most people who use it, and their friendly co-operation in sharing it increases the benefits for everyone.

Candies that belie summer heat are in a tempting array at the Boston Gardening Company. A cool assortment of parfait jellies, yummy snow balls, smooth chocolates, bonbons, and marshmallow jellies will laugh at sizzling days, and for only 80c. Another candy for June days is the founded cream mints in delectable shades of icy whites and foamy pinks. These, too, are but 80c. A favorite of all are the strawberries filled with mouth-watering almond paste, and, of course, so are the small packages of old fashioned candies for 20c. While "oozing" and "ahing" over this delicious assortment do look at the Spice Island delicacies that make for tasty cooking. Onion salt, accent, and deviled tuna are a few suggestions.

Ummm, how I love chicken and when it comes to one of those Super Broilers (Eisenbars to be exact) from Oakley Food Mart, nothing could be finer. These famous chickens, which many of you folks read about in Life, are the real essence of good eating. They are expertly cross-bred so that there is more meat and less bone. And these broilers are but 49c a pound! Sounds like a chicken dinner should be on your menu tonight. Another specialty at Oakley's are the fresh eggs and luscious vegetables. A soda fountain, drug department, and general grocery are the finishing touch to this all-in-one market. Stop by at Oakley's today and shop with pleasure. Don't forget to buy a super broiler too! It deserves a place on your table.

Sgt. Lester Paterson

Funeral services for the late Sgt. Lester F. Paterson will be held in Woodlawn National Cemetery Elmira New York on Friday June 10th.

Sgt. Paterson, a member of the 15th Air Force, lost his life when his plane was shot down and crashed over Yugoslavia on May 29th 1944. He was a graduate of Newton High School, class of 1937 and married Louis Hickey of Porter Road, Waltham.

His parents, Mr. and Mrs. Lester A. Paterson, brother George and wife and sisters Lois and Betty all of 22 Bowers Street, Newtonville, made the trip to Elmira by car to attend the group burial service.

Albert J. Considine

Funeral services will be held Friday morning from the Martin E. Conroy Funeral Home for Albert J. Considine of 169 Washington Street, Newton. A high mass of requiem will be celebrated in the Church of Our Lady at 9 o'clock. Burial will be in Calvary Cemetery, Waltham.

Mr. Considine died suddenly on Tuesday while taking a bath at his home. Firemen and police, summoned by his wife, worked over him with an inhalator for more than an hour in an attempt to revive him. Medical Examiner T. Morton Gallagher stated in his report that Mr. Considine had

evidently been stricken ill and died of accidental drowning. Mr. Considine was in his 53rd year. He was born in Newton, and was a veteran of World War I.

He leaves his wife, Mrs. Mary L. (Gordon) Considine, a brother, George P. Considine of Newton and two sisters, Mrs. Margaret M. Ryan of Norwood and Mrs. Astias Diagon of Scituate.

James J. Keating

Funeral services for James J. Keating of 260 Adams Avenue, West Newton, were held Wednesday morning from the home of his daughter, Mrs. Kathleen O'Loughlin, 472 Waltham Street. A high mass of requiem was celebrated in St. Bernard's Church by Rt. Rev. John J. Crane, S. T. L. Burial was in Calvary Cemetery, Waltham with prayers by Rev. Robert E. Brennan.

Among those present were Division Foreman Richard A. Murphy of the Newton Street Department and A. Leslie Moriarty, former license commissioner.

Mr. Keating died on Saturday at his home. He was in his 80th year, and had resided in West Newton since he came here from Ireland 55 years ago. He was a member of the Massachusetts Catholic Order of Foresters.

Besides Mrs. O'Loughlin he leaves two other daughters, Mrs. Mary Donovan and Miss Nora Keating, also a son, James Keating of Arlington.

CITY OF NEWTON MASSACHUSETTS

Advertisement for Bids

Sealed proposals for furnishing and delivering, under separate contracts, fuel oil for the Building, Fire, Library, School, and Street Departments of the City of Newton will be received at the office of the Public Buildings Commissioner, City Hall, Newton Centre, Mass., until 2 P. M., daylight saving time, Friday, June 24, 1949, and at that place and time publicly opened and read.

Specifications and other contract documents may be obtained at the office of the Public Buildings Commissioner. Proposals shall be made and analyses given on the blank forms herewith and all information requested must be given. Proposals which are incomplete, not on the above form, not properly endorsed or signed, or otherwise contrary to these instructions may be rejected as informal by the Public Buildings Commissioner.

The attention of the bidders is particularly called to a provision of the Ordinances of the City of Newton, (Chapter 2, Section 22) that requires that a copy of all proposals shall be filed by the bidder with the Comptroller of Accounts, City Hall, Newton Centre, Mass., prior to the time set for the opening of proposals.

A certified check on a national bank or trust company in the Commonwealth of Massachusetts for the sum of Five Hundred Dollars (\$500.00) shall accompany each proposal, payable to and to become the property of the City of Newton if the proposal which it accompanies is accepted and the bidder neglects or refuses to comply with the terms of the proposal.

Surety company bonds by a company satisfactory to the Mayor of the City of Newton and in an amount equal to fifty per cent (50%) of the contract price under each contract will be required of the successful bidder.

Proposals may be made for the whole or any part of the supply of fuel oil, as required by the several departments, and for the different kinds and approximate amounts shown under the requirements. Bidders are requested to make proposals on the total amount of fuel oil herein specified, but the right is reserved by the City to make and accept any sub-division of the proposals or part of proposals deemed to be for the best interests of the City of Newton.

The City reserves the right in calling for a contract under any proposal accepted, or any item or part thereof, to call upon the Contractor to increase or decrease the amounts specified in the stated amounts of each department to the amount of thirty per cent (30%) in the placing of orders and in the creation of liability.

News From the State House

By HELEN L. RING

Many people have asked "where can I secure information concerning my State Senator and Representatives on how they voted on a bill I am interested in." The answer to that is very simple. The information can be secured from the Clerk of the House of Representatives (if bill originated in the House) or from the Clerk of the Senate. If a roll call vote is taken in the House and Senate it would be printed in the Journal. The

Journal gives you all the information you so desire.

A great deal of agitation has been raised concerning the measure to tax the surplus of savings banks. There are 190 savings banks in the Commonwealth of Massachusetts. By a vote of 117 to 106 the House passed this measure and referred it to the Committee on Ways and Means. At the present time the Committee has not reported out. At the present time the banks pay a tax to the State one half of 1 per cent on its income, excepting federal bonds and realty mortgages which are exempt. The bill calls for 80% exemption and would tax the remaining 20%. Rep. Murphy of Malden stated before the Committee that the savings banks have over \$3,223,000,000 on deposit, but pay their depositors only 2 per cent and they pay the state only \$300,000 in taxes. Several banks were mentioned that do not pay any taxes. These banks have deposits over \$200 million dollars. Rutherford E. Smith, counsel for the Mutual Savings Banks Association told the Committee that the banks offered to pay an additional \$600,000 a year to the State but Governor Dever opposed it. There was much opposition to the bill. The Senate on a tie vote 20-20 killed the labor bills H-2588 and H-2544. These bills were sponsored by organized labor. The bill was before the House and approved by vote 108-43. These bills would require an employer before seeking a court injunction against a union to obtain a certificate from the Commissioner of Labor and Industries that he had sought in good faith to avert a strike, through collective bargaining. An amendment was offered in the Senate but it was defeated. A motion was made

Mayor Lockwood To Seek Re-election

Mayor Theodore R. Lockwood announced this week that he will be a candidate for re-election next November. He is now serving his first term in that office.

The only other candidate yet in the field for Mayor is John A. Janse, Newton contractor, who announced his candidacy some weeks ago.

Mayor Lockwood was elected to that office in November, 1947, defeating Roy S. Edwards and Hugh S. Boyd, neither of whom have as yet signified their intention of seeking the office this year.

for reconsideration and the bill will come up again today.

Commissioner of Public Works William Callahan appeared before the Committee on Highways asking for \$250,000 for study engineers and etc. to estimate costs on a proposed express Highway, 93 to 95 miles in length from Union, Ct. to Seabrook, N. H. This highway to contain 6 toll piazzas 4 lanes, with exits and entrances at convenient places. The cost at this time is estimated \$75 million dollars, to be paid for by revenue bonds, amortizing 30 to 40 years after which it will return to the State.

Governor Dever signed a bill to permit car owners to mail their fines to the Courthouse regardless of the number of times they receive tickets for overtime parking. The top fine would be \$3.00 and at no time would a car owner be required to appear before the judge in court. The first offense is gratis, \$1.00 for second, \$2.00 for third and \$3.00 for the fourth and succeeding offenses.

A joint convention of the State Senate and House of Representatives took place last week. They approved the proposed constitutional amendment which would be necessary to obtain 73,000 signatures instead of 25,000 to place a question on the ballot. The proposed amendment to have the voters decide the question of increasing number of signatures by 480,000 on initiative and referendum petitions was approved by the House. The proposed constitutional amendment providing for the succession of the Governor between the election and the inauguration in the event of the death of the Governor-elect was passed by a vote of 243 to 7.

Former President Harding was elected to the U. S. Senate from Ohio in 1914.

Cardiac Emergencies Will Be Discussed

Dr. Samuel A. Levine, professor of medicine at Harvard Medical School and a leading cardiologist, will discuss "Cardiac Emergencies" next Thursday at 8:30 p.m. in the hall of the Newtonville Library.

This will be the third session of the Newton Postgraduate Heart Institute, a refresher course being presented for Newton physicians by the Cardiac Program Committee of the Heart Demonstration Program.

Dr. Levine is serving as consultant in cardiology at the Newton-Wellesley Hospital, Peter Bent Brigham Hospital, New England Baptist Hospital, and the Exeter (New Hampshire) Hospital.

Kreidler-LeSourd

Miss Patricia LeSourd, daughter of Dean and Mrs. Howard Marion LeSourd of Newton became the bride of Mr. William Ward Kreidler, son of Mr. and Mrs. Charles A. Kreidler of Birmingham, Michigan on Tuesday evening, June fourteenth at the Newtonville Methodist Church.

Pink and blue stock, white delphinium, and gardenias decorated the church for the double ring ceremony which was performed by the bride's father, assisted by the Rev. Hamond Gifford, pastor of the church.

The bride, who was given in marriage by her father, carried a cascade bouquet of white orchids with gardenias against a gown of traditional robe de style moon-glow duchesse satin with Iberian lace of rose motif. The satin basque revealing a cascade of the imported dentelle — a sweeping court train, closely fitted sleeves with deep lace cuff, transparent illusion yoke edged with pearl garnitured shoulders, phange of satin accenting and revealing under a dress of lace. She wore a Queen Elizabeth hat made of Brussels lace, decorated with pearls with a long French illusion veil.

The maid of honor, Miss Sally Kreidler, sister of the groom, was gowned in mauve, a matching tulle hat similar to the bride's and carried a white delphinium.

Mrs. Edward Kitts of Mansfield, Ohio, matron of honor, and college roommate of the bride wore an ice blue satin gown with matching tulle hat and carried light blue and dark blue delphinium.

The five bridesmaids were: Miss Janice MacNeil and Barbara Mellor of Newton who are girlhood friends; Miss Eunice Pass of Syracuse, New York, who was a classmate at Emma Willard; Miss Phyllis Recenning of Elyria, Ohio, a friend from Ohio Wesleyan, and Barbara Burns of Winnetka, Illinois. All wore ice blue satin gowns with matching tulle hats and carried dark and light blue delphinium.

Newton Post No. 48 A.L., Holds Thirtieth Anniversary Supper

Thursday evening June 16, Newton Post No. 48 American Legion held its Thirtieth Anniversary by having a sit down supper. About 300 hundred members and guests attended, including 24 charter members of thirty years ago. It was just 30 years to the day that the original members banded together and held their first meeting.

The invited guests included State Vice-Commander Lillian Jennings, Mayor Theodore Lockwood, a charter member of the Post, Captain John Quigley, Commandant of the John Adams Hospital, Chelsea, Chief Cochran of the Newton Fire Dept., and Middlesex County Commander Anthony Sweeney.

Commander E. Elmer Ross presented to the State Vice-Commander Lillian Jennings, a check for \$1020 for four hospital beds at the new Lawrence Quigley Memorial Hospital. The Post raised this sum within the past month in order that the four beds might be donated by Post 48.

Another feature of the evening was the presentation of the original charter to Commander E. Elmer Ross by Comrade Leo Taffe. Comrade Taffe gave the charter to the Post, having had the charter for many years in his possession. The charter will be suitably framed and placed in the Post Headquarters.

All Newton Music School Closes For Summer Vacation

After a very full and active season with gratifying results in all branches of its work, the All Newton Music School closed for the summer vacation on Saturday, June 11.

During the final weeks, there were student recitals and concerts almost daily. Among them have been an ensemble program of chamber music presented by Lucile Grootsema, 'cello, Josephine Scabia, piano, William Bell, 'cello, David Starkweather, clarinet, all of the advanced grade, and by Martha Homan, Barbara Landon, violinists, post-graduate students, assisted by Beulah Bell, Irene Forte, Ruth Spencer, and Ellen Starkweather of the faculty.

Students who presented diploma recitals included Elizabeth Conley and Frances Dorsey of the voice department, Robert Benson of the violin department and William Bell of the 'cello department.

When Music School students graduate from High School, if they have completed satisfactorily the course prescribed by the

Mayor Lockwood this week proclaimed the use of water for lawns and gardens because the unprecedented consumption was developing risk through lessened pressure in the mains.

The average use last year was 6,500,000 gallons per day. Consumption has been reaching 14,000,000 gallons per day lately and when the figures reached a rate of 15,000,000 the City cut off use for lawns and gardens until conditions improve, notice of which will be given.

The City has ample water but many high hills which present a necessity of sufficient pressure to maintain distribution and adequate fire protection.

The 1948 peak load on August 27 was 12,586,000 gallons.

Candidates to Be Invited to Speak

An open meeting where candidates for municipal offices will be able to present their views before the October elections will highlight the fall program of the League of Women Voters of Newton.

Beginning with a discussion of local affairs in October and continuing through the 1949 season with further concentration on national and international affairs and state legislation, informal discussion groups will meet at central points throughout the Newtons.

Newton residents who wish to participate in next year's League program, may join the local chapter of the League of Women Voters during the summer months by writing to the office of the Newton League at 72 Columbus st., Newton Highlands, or telephoning Mrs. Albert Beisel, Jr., corresponding secretary at LA-sell 7-2045.

Founded in 1920 to further the education of women as citizens and to work for progressive legislation, the League now has 89,000 members throughout the country working toward good government on a non-partisan basis. The 6,500 members in Massachusetts work through 38 local leagues throughout the state.

As in past years, the League will furnish information about candidates and issues before the fall elections, and will publish "qualifications" as a service to voters for judging fitness of candidates for public office.

Mayor Names Two to Fill Vacancies

Mayor Theodore R. Lockwood has appointed Pierce Gaddis of 24 Elliot avenue, West Newton, a member of the Veterans Advisory Board of the City of Newton to fill the unexpired term of Mr. Charles E. Hughes of 24 Grove street, Auburndale, who resigned.

Robert Tenant of 24 Elliot Terrace, Newton Upper Falls, Chairman of that Board to fill the vacancy in the Chair created by Mr. Hughes' resignation.

Is Newton to Have Billboards?

The proposal of the Boston & Albany Railroad to erect billboards at its 12 railroad stations in Newton is to be regretted, and any such attempt should be prosecuted to the limit of the ability of business and other organizations in this city.

Already the Newton Chamber of Commerce has announced that it is unalterably opposed to such a plan and it is to be hoped that other civic-minded organizations, as well as city authorities, will join with the Chamber in its opposition to billboards at the railroad stations here.

Although licenses for billboards are issued by the State Department of Public Works, Outdoor Advertising Division, local authorities are first notified so that they may go on record for or against the application. At that time a concerted opposition to any such plan should be presented.

Billboards, at their best, do nothing to enhance the beauty of any locality. A drive through the countryside brings this fact forcibly to a conclusion. Nor will billboards enhance the pleasant surroundings of the 12 stations in Newton and it is doubtful if the revenue to be derived through their erection will aid materially in increasing profits for the railroad.

It is to be hoped that a strong, concerted opposition to the plan by Newton, officially and through its civic organizations, will persuade the railroad to rescind its contemplated action in this proposal.

Crystal Lake Swimming Area Opened For Summer Season

Newton Graphic-M. N.

The Crystal Lake swimming area opened for the season last Saturday afternoon. The swimming area has for many years been a mecca for swimming enthusiasts, and is expected that it will be used as extensively during this season as in the past. The Newton Recreation Department feels very strongly that a few words of warning relative to the use of this area are imperative at this time.

Swimming permits for the season may be purchased at the Recreation Department offices, City Hall, 9 a.m. to Monday through Friday, 9 a.m. to 5 p.m. The price of these permits is \$25. No person is admitted to the Bath House without a permit. Due to the heavy traffic at this beach, the swimming period for any person is restricted to one hour. Violation of this regulation by individuals may lead to the suspension of a permit. Individual lockers are provided for storage of clothing during the swimming period. In order to protect property all lockers should be securely locked when leaving for the beach. The swimming area is restricted.

Beginners are restricted to the

immediate beach area and no persons are allowed outside the first enclosure until they have passed the swimmers test. No person is authorized to bring playing equipment to the beach because of the heavy traffic at the swimming area. No persons are allowed to bring lunches to be eaten at the beach. Due to the restricted beach area it is impossible to provide facilities for the eating of lunches. Loitering on or about the beach is prohibited. While in swimming you should adhere to the basic safety rules regarding this sport. Be sure to select a buddy. Do your swimming with him.

At the beginning of the season it is advisable to limit the amount of your swimming as over-exercising until your system is tuned to the activity may lead to difficulties. Swimming is not allowed from any other city owned land along Crystal Lake and is not allowed at the Newton Centre end of Norwood Avenue. Trespassing on the railroad right of way is illegal, and the railroad police and the City of Newton police have been authorized to pick up swimming permits of any

Charles P. Slocum Resigns From Board

Becoming the second member of the Board of Aldermen to retire this year, Charles P. Slocum of 15 Trowbridge street, Newtonville, alderman-at-large from Ward 2, submitted his resignation Monday evening.

Mr. Slocum became a member of the board when he was appointed to succeed Carl F. Schipper, Jr., when the latter joined the Navy in 1942. Mr. Slocum has served as chairman of the Joint School Committee and was a member of the Finance and Mayor's Address committees. The name of his successor will be submitted at the July meeting of the Board of Aldermen.

Fire Chief Bans All Open Fires in City

As a result of the extended drought, Fire Chief John E. Corcoran of Newton today placed a ban on all open fires in the city and appealed to citizens to be careful in disposing of cigarettes on the highways.

The ban on fires in the open will continue until there is a substantial rainfall.

Chief Corcoran also appealed to residents not to use lawn sprays in order not to deplete the already low water supply due to lack of rain. It is requested that citizens refrain from using the lawn sprays in order to aid fire-fighting forces which require sufficient water pressure. This action was endorsed by Mayor Theodore R. Lockwood.

Chief Purcell Gives Vacation Time Hints

When leaving for vacation, leave no notes or forwarding addresses outside door. Leave no keys under the mat, over the door or in the mail box. Be sure all doors and windows are securely locked; or better yet, double locked. Close the garage doors. Tell your neighbor how long you will be gone. Ask him to keep an eye on your house, but not to give information to anybody regarding your absence. Discontinue newspapers, milk deliveries and mail deliveries. Arrange with a neighbor to remove advertising matter or other articles which may be left on your porch.

Notify Police Headquarters, LA-sell 7-0030, when you are leaving, where you are going and the approximate date of your return, so that officers can check the premises periodically.

Remove all money, jewelry or other valuables which can be easily stolen. Don't hide such things under rugs, behind pictures, in mattresses, etc. Re-

Nine Senior Scouts To Go to New Mexico

Saturday, 26 excited Senior Scouts and their leaders will leave by bus for a month's trip to the great Western state of New Mexico. Their destination will be the Philmont Scout Ranch near Cimarron, N. M.—137,000 acres of farm and grazing land, forests, and mountains, abundant with wild game, and trout streams made available to Senior Scouts from all over the country by the Boy Scouts of America.

At the ranch these scouts will spend 2 days on the trail or at base camps, enjoying such sports as fishing, camping, mountain climbing, horsemanship, Burro-packing, western sports, and many others. Here is adventure that an American boy would be anxious to have.

Norumbega Council, Inc., B. S. A., comprised of Newton, Wellesley, and Weston is the trip host. James P. Dunne, scoutmaster of Troop 89 of Wellesley, is trip leader. He will be assisted by Fred Cole, advisor S. O. No. 6, and Harold Wood, of Old Colony Council, South Weymouth.

The following Newton Senior Scouts are registered for the trip: John Arnold, Daniel Rakov, Stanley Berg, Herman Rose, Roger Masters, Robert Herman, Roger Tappan, John Shannon and Joseph Williams.

Water Safety Class To Start July 7th

Frank Dowsett, chairman of Water Safety Program of the Newton Chapter of the American Red Cross, announces that classes in Water Safety will start in the City of Newton the morning of July 7.

Any children who have not registered can register at Crystal Lake any time July 5 or 6, from 9 to 12; and 2 to 5. Buses furnishing free transportation for children who have registered will start from the following playgrounds: Burr, Cabot, Carr, Emerson, Eden Ave., Hamilton, Franklin, Horace Mann, Boyd, Stearns and Thompsonville.

Children from Oak Hill will be picked up at Wheeler Road and Parker Street; the bus will continue then to Bowen School to pick children up from that playground.

Children already registered in their various schools will receive their registration certificates at their first appearance at Crystal Lake or Auburndale Playground.

Five competent instructors at Crystal Lake will take charge of

To Celebrate First Solemn High Mass Sunday at 10:15 A.M.

Among those ordained last Saturday at Holy Ghost Chapel, Weston College, Weston, by the Rt. Rev. Richard James Cushing, D.D., Archbishop of Boston, was Edward Reynolds Callahan, of the Society of Jesus.

Rev. Fr. Callahan, S. J., is the son of Mr. and Mrs. Joseph Aloysius Callahan of 46 East Side Parkway, Newton. He received his elementary and high school education at Our Lady's, an honor student and class officer during his entire high school course, he was the recipient of many honors upon graduation among which was a scholarship to Boston College which he forfeited to enter the Jesuit Novitiate in August 1937. For oratory, he received second prize in the Diocesan Oratorical Contest and medal from Post No. 48, Newton American Legion Contest.

After spending four years at Shadowbrook, Lenox, he entered Weston College where he spent three years in the Philosophy. In September 1944, he was transferred to Fairfield College Preparatory School where he was professor in algebra for two years and moderator of the Junior-Senior Debating Society. In June 1946, Fr. Callahan was sent to St. Louis University, St. Louis, Mo., for special studies, where he remained until September of that year, when he entered Weston College for his Theological studies.

His first Solemn High Mass will be offered this Sunday at 10:15 a.m. in the Church of Our Lady Help of Christians, Newton, followed by breakfast at Long-

As if the summer's not hot enough, I am in the midst of moving to that far off land of Philadelphia! I took my tour of the Newtons this week, and, must admit, I did it with regret. Few towns have as many varied and fine stores to shop in! Of course, I found a million and one things to tell you about so I jotted them down. I also found another shopper, of all things! That means that next week there will still be a trip to the stores, but with a new shopper at the helm. Have a grand spree everyone and, oh yes, SHOP IN NEWTON!

Fisher-Butler

At a four o'clock home wedding on Saturday afternoon, June 18, Miss Dellamary Dorothy Butler, daughter of Mr. and Mrs. Harold Arthur Butler of East Orange and Lake Mohawk, N. J., became the bride of Mr. Donald Lockwood Fisher, son of Mr. and Mrs. Frederick George Fisher of Waban and Sagamore Beach. The double ring ceremony was performed by Rev. William E. Kroll of the Arlington Avenue Church in a setting of smilax, roses and peonies. A reception followed.

The bride, given in marriage by her father, wore a gown of rose-pointed Chantilly lace over white shirtings, with a bustle back, long chapel train and long pointed sleeves with buttons to the elbows. Her fingertip veil of French illusion edged with Chantilly lace, was caught to a tiara of orange blossoms and she carried an old fashioned bouquet of Johanna Hill roses, daisies, sweet William, bachelor buttons and stephanotis.

Her maid of honor, Miss Robin Wood of Maplewood, N. J., wore imported elbow Swiss organdy over yellow faille taffeta with short cap sleeves and a bustle, with a Juliet cap of matching color and carried a bouquet of talisman roses and delphinium. The bridesmaids, Miss Constance Whitmore of West Orange, N. J., and Miss Elaine Weiershausen of West Englewood, N. J., wore floor length gowns of blue Swiss Organdy over blue faille taffeta with short cap sleeves, and Juliet caps of matching color. Their bouquets combined Talisman roses and white bubblelia. Miss Carlotta Bernier, the flower girl, wore a pink organdy frock and carried a basket of rose petals.

Mr. Champe Andrews Fisher of Waban, was best man for his brother. The ushers were Mr. Richard Holway of Hanover, N. H., and Mr. Richard Andrews of Sagamore.

Following a wedding trip in

Canada, Mr. and Mrs. Fisher will reside in Jamestown, N. Y.

The bride was graduated from the Weehauken High School and is a sophomore at the College of Architecture and Design, University of Michigan. Mr. Fisher was graduated from the Newton High School and from Bowdoin College, Magna Cum Laude. He received his Master's Degree from the University of Michigan. He is a member of Delta Kappa Epsilon.

Wogan-Mahoney

In the Holy Name Church, Providence, Rhode Island, on Thursday, June 16, Miss Lee Ann Mahoney, daughter of Dr. and Mrs. William A. Mahoney of Providence, was married to Mr. Joseph Mansfield Wogan, son of Mr. and Mrs. Joseph F. Wogan of Newton. Rev. J. Ralph Kelley, chaplain of Annhurst College of South Woodstock, Conn., performed the ceremony and also was the celebrant of the nuptial mass. A reception followed at the Sheraton Biltmore Hotel.

The bride was given in marriage by her father. With her gown of candlelight satin she wore her mother's wedding veil of illusion covered with a veil of point d'Alencon lace, an heirloom in the family of the bridegroom, and carried a cascade bouquet of hybrid orchids and lilies of the valley. She was attended by her sister, Miss Margaret L. Mahoney as maid of honor, who wore jonquil yellow organdy over yellow taffeta with a matching Juliet cap trimmed with tiny clusters of white lilies and carried a basket of delphinium and marguerites.

The bridesmaids were Miss Jane Wogan of Newton, sister of the bridegroom, Miss Theresa Mastrangelo of Pittsburgh, Miss Katherine P. Tucker and Miss Carol A. Meehan of Providence, and Miss Mary Jane Dowd of Rockville Centre, R. I. They wore gowns of apple green organdy over taffeta with matching Juliet caps trimmed with white lilies and carried baskets of marguerites and English Ivy.

William A. Mahoney, Jr., brother of the bride, was the best man. The ushers were Mr. Lawrence A. Ward of Boston; Mr. Bruce Wogan of Brookline, cousin of the bridegroom; Mr. Hazen Laburton Page of Marblehead; Mr. Frank Hopewell of Lexington; Mr. John W. Blake of Wellesley and Mr. William B. Tyler of Chestnut Hill.

The bride was graduated from Elmhurst Convent of the Sacred Heart and attended Annhurst College. Mr. Wogan attended Phillips Academy, Andover and served two years in the U. S. Marine Corps. He is now a junior at Harvard University, where he is a member of the Phi Kappa Psi and the Phi Kappa Tau fraternities.

Stanley-Batchelder

In the Newtonville Methodist Church Saturday afternoon, June 18, Miss Barbara Ann Batchelder, daughter of Mr. and Mrs. Eugene Batchelder of Newtonville, became the bride of Mr. William Byrd Stanley, son of Mr. Roy Stanley of Newtonville and Mrs. Stanley of Cambridge, Mass. A reception at the Hotel Beaconsfield, Brook-

line, followed the ceremony which was performed by Rev. Hamilton M. Gifford.

The bride wore a gown of pale ivory satin trimmed with Belgian lace with panels of lace down the back and a long train. Her three-tiered veil was caught to a bonnet of matching satin. She was attended by Miss Sally Carolyn Hughes of Newton who wore white chantilly lace over lilac taffeta with a matching bonnet and carried lilac sweet peas with a centre and border of white roses. The bridesmaids, Miss Janet Quigley, Miss Sean Marie Bova of Newtonville, Miss Verian Elsemiller of Wellesley and Miss Joan Evelyn Blanchard of North Scituate, Rhode Island, wore similar gowns with bonnets of lilac taffeta and Chantilly lace and carried white roses with a border and center of lilac sweet peas.

Mr. Morris Burns Stanley of Charlestown, West Virginia was best man for his brother. The ushers were Mr. Robert E. Batchelder of Newtonville, Mr. John Toner of Nantucket, Mr. Thomas Carros of Cumberland, Md., Mr. George Ramacorti of Dorchester, Mr. Arthur P. Boyle of Charlestown and Mr. John O'Neill of Worcester.

Following a wedding trip to Cape May, New Jersey, Maryland and West Virginia, Mr. and Mrs. Stanley will reside in Cambridge.

The bride was graduated from the Academie Moderne and is a junior at the New England Conservatory of Music. Mr. Stanley attended Allegheny College and is a junior at the Boston University School of Public Relations.

Walker-Thomas

At a 4 o'clock ceremony in All Souls Church, Lowell on Saturday afternoon, Miss Marcia Beebe Thomas, daughter of Mr. and Mrs. Walter Frederic Thomas of Lowell, became the bride of Mr. Arthur Henry Walker, son of Mr. and Mrs. Richard Dexter Walker of Newton. The ceremony was performed by Rev. Simeon E. Cozad and Rev. M. Russell Boynton of the First Church in Newton, Newton Centre.

With her gown of ivory satin the bride wore a full length veil of heirloom princess lace and carried a cascade of gardenias, stephanotis and ivy. She was attended by her sister, Miss Linda M. Thomas, as maid of honor who wore a bouffant gown of white dotted Swiss over lilac taffeta with a lilac sash and picture hat of lilac horsehair. Her bouquet was of shell pink gardenias and carnations with puffs of pink tulle, and ivy.

The bridesmaids, Miss Nancy Pawle of Lowell, Miss Martha Anne Boynton of Newton Centre, Miss Cynthia Rugg of Boston, Miss Nancy Butts of Newton, Miss Katherine Veasey of Haverhill, cousin of the bride, and Miss Patricia Henry of Paxton, Illinois, cousin of the bridegroom, wore gowns of dotted Swiss over green taffeta, with green sashes and matching horsehair hats. They carried shell pink gardenias and carnations, with puffs of lavender tulle, and ivy.

Anne D. Walker of Nashville, Tennessee, niece of the bride, was the flower girl. She wore a frock of dotted Swiss over lilac taffeta with a matching sash and puffed sleeves with a coronet of pink sweetheart roses and blue larkspur.

Mr. Richard D. Walker, Jr., of Nashville, Tenn., served as best man for his brother. The ushers included Mr. Walter F. Thomas and Mr. Theodore M. Thomas, brothers of the bride; Mr. Robert H. Pawle of Lowell, Mr. Philip W. Cranshaw of West Newton, Mr. Thomas Macomber of Augusta, Maine and Mr. David Garland of Wellesley.

The bride was graduated from Rogers Hall School, Lowell and the Katherine Gibbs School, Boston. Mr. Walker is a graduate of Middlesex School and received his degree from Bowdoin College in February. He is a member of Beta Theta Pi Fraternity.

Music

(Continued from Page 1)

All Newton Music School through Intermediate IV, are prepared and give a representative program before an audience, they receive a diploma which qualifies the more advanced or normal study.

Frances Dorsey, of the voice department, was awarded a William Lester Bates scholarship for advanced study next season. Lavinia Mayo, of the piano department, was awarded the Luke-Seaver scholarship for the year 1949-1950.

Mothers' Auxiliary scholarships for outstanding talent, co-operation and ability to work were presented to Sally Ann Haven of the piano department and to David Starkweather of the clarinet department.

The Music School takes great pleasure in the many fine reports coming back from former students who have gone on to advanced work. Among them are John and Henry Moore who are studying violin and piano at the University of Vermont and who report that their Music School training qualified them for advanced work in college music.

Donis Doehler, former student, graduated cum laude last week from Smith College with a major in "cello."

Norma Olson, post-graduate of the All Newton Music School has just returned from a season with the Indianapolis Symphony Orchestra, where she was a member of the "cello" section. Miss Olson has also filled an engagement at the Gardner Museum since her return.

The Music School will reopen for regular sessions on Monday September 19. Re-registration of former students will take place on September 6, 7, and 8. New students may apply on September 13, 14, 15, and 16, from 1 to 5 p.m.

persons who violate this regulation. Showers and foot baths are provided in the bath house, for use after swimming. You should develop the habit of using the foot baths regularly as Athletes Foot, although not a serious ailment, can be a difficult ailment.

The bath house is in good condition. It is clean, well lighted, properly equipped and has continuous maintenance throughout the summer. The personnel in charge at the beach are experienced personnel. Many of our lifeguards have been with us for several years. Respect their authority and importance and their requests. Any action taken by a lifeguard is taken in your best interest. Do not question him. He knows from experience what is best for you.

The staff at Crystal Lake this summer will be as follows: Dexter Linton, Supervisor of Beach & Bath House; Oliver Kavanagh, Evening Supervisor; Allen Wilson, Lifeguard; John Higgins, Lifeguard; William Waters, Lifeguard; Richard Lowry, Lifeguard; Richard Nugent, Lifeguard; John McAvoy, Lifeguard; Giles Threadgood, Lifeguard; Frances McQuenny, Office Clerk; William Pucciarelli, Office Clerk, and Mrs. Anna Wilson, Matron.

Miss Betty Sowles has been awarded a cash prize for outstanding work at the Museum Art School in Boston.

NEVER DIVE IN STRANGE WATERS

Never dive into waters you have not explored. Hidden logs, submerged rocks, and other underwater snares claim many lives every summer of those who dive in danger without investigating first. Do your diving in well-marked pools and supervised beach area.—Newton Y.M.C.A. Water Safety Rule No. 2.

(Continued from Page 1)

erty, it is evident, when we consider this additional income, coupled to the income of the tax and the using up of so much of the surplus, that we are heading towards plenty of financial trouble and higher taxes.

It is time that Mayor Lockwood, or someone in our City Government who feels his responsibility as a public servant, made a complete report to our citizens regarding the condition of the City's Finances in simple understandable language. This should include an explanation of how the trouble in our Street Department, which occurred while our Mayor was Chairman of the Finance Committee of the Board of Aldermen, has, and is, affecting our financial condition.

How much did that episode cost our taxpayers? Are there any more bills to come in the future that the City will be forced to pay? These may appear to be \$84.00 questions but they are pertinent to responsible government and should be courteously answered. May I close with the statement that I stand for full responsibility and less secrecy in government.

move them from the house and put them in a safe place.

Inspect all doors and windows. Don't pull down all window shades, thus advertising that the premises are closed. Some folks leave a dim light burning on both the first and second floors.

To those who stay home—Be a good neighbor. Notify the police immediately (day or night) if anybody is seen about your neighbors' premises. It is much better for the police to establish that persons are O.K. than to find out later they are not.

Newton Junior College Holds Its Commencement Exercises

Newton Junior College, the first public junior college of its kind to be established in the New England area, is rapidly realizing the aims of its founders. The College was chartered in 1946 and by favorable action of the Advisory Board of Education received authority to confer the degrees of Associate in Arts and Associate in Science. At that time the press of G. I. applicants to the various colleges was at its peak. The demands of that particular type of student have been met to a large extent and are now waning, but the enrollment of the College itself still continues to increase. Eleven communities, other than Newton, are represented in this year's graduating class, while the incoming sophomores represent a still wider geographical distribution.

John J. Desmond, Massachusetts Commissioner of Education, who last year hailed as "precedent breaking" the action of the City of Newton in adding the 13th and 14th years to the public school course of study, was again among the guests of honor at the second annual commencement of this ever-growing college. Once again he paid tribute to its accomplishments.

The commencement address was by Francis Keppel, Dean of the Faculty of Education of Harvard University, who told of the

vital importance of this type of institutions in the educational scheme of today. The invocation was given by the Reverend Terence L. Conolly, S. J., Librarian of Boston College.

Dr. C. Elwood Drake, Director of the College, presided; and greetings to the College were extended by Homer W. Anderson, Superintendent of the Newton Schools, Theodore Lockwood, Newton's Mayor, and John J. Desmond, Massachusetts Commissioner of Education. The class dissertation was delivered by James H. Goddard, Jr.

Once again it was a full dress occasion academic procession and all, with the college faculty and guests of honor in the full regalia of their respective ranks, seated in a large semi-circle on the stage. The graduating class were resplendent in caps and gowns of maroon, the white tassels of the caps and the white collars of the gowns emphasizing the college colors of maroon and white. Musical selections and the Processional and Recessional were rendered by members of the High School orchestra under the personal direction of Donald March. The exercises were followed by a reception for the graduates, the faculty, and the relatives and friends of the graduating class.

Receiving the degree of Associate in Arts were: Willard J.

NEWS FROM THE STATE HOUSE

By HELEN L. RING

The calendar for the House and the Senate was short this week. The General Court went through their business in less than an hour and a half each day.

Rep. Roy Smith, Republican, of Holbrook, former Chairman of the Committee on Ways and Means faithfully promised the state employees last year that if the cost of living increases he will fight to increase their salary in 1949 by \$360. This promise was successfully fulfilled in the House Wednesday afternoon. Bill H-2618 was passed unanimously. No opposition. Rules were suspended and the bill is now in the Senate for action. This pay increase to 26,000 state employees will cost \$9 million dollars. Last year they received 7.9 per cent boost with \$150 bonus.

The Senate passed to be engrossed without debate two very important bills H-908 and Senate No. 691. Rules were suspended and they are now in the House for action. H-908 calls for increasing benefits payable under the workmen's compensation law in case of injuries. For example, total loss of both eyes the sum

of \$20 to be paid for five hundred weeks, or the loss of a leg at the hip to be paid for one hundred and seventy-five weeks. In the event the injured employee dies before fully collecting compensation, the balance remaining shall become due and payable in a lump sum to his legal heirs. S-691 calls for increasing payments under the workmen's compensation from \$25 to \$30 a week. If the injury is total or partial the insurer shall pay the injured employee a weekly compensation equal to two thirds of his average weekly wages not exceeding \$30 nor less than \$18 a week, the amount not exceeding \$10,000. Waiting period cut from two weeks to one week. Each dependent child under 18 years old would receive \$2.50 a week.

The bill to continue development of the Logan Airport at East Boston, H-2393 was heard in the Senate Wednesday afternoon. Sen. Ralph V. Clamptit asked for postponement until Thursday so that the bill can have further study. The bill calls for \$6 million dollars and an amendment calls for \$12 million dollars more to finish the development at the port. Total of \$18 million dollars. Nearly \$60 million dollars have been spent for development of the airport so far. If the State appropriates \$18 million dollars for the completion of the airport, the federal government will make a contribution of \$3 million dollars towards the project. Sen. Miles objected to passing the bill as he said he did not know how dry the well may be. He wanted to know more about the additional \$12 million dollars how it is to be spent and where will we get it.

It was a hot and humid day on Tuesday but it was notter in the State House and tempers were flying fast and furious. Boos and hisses were heard throughout the crowded Gardner Auditorium on the Bill H-2591: Cash Sickness Compensation Law — which provides medical care and compulsory health insurance for industrial workers and their families for compensation benefits for workers absent from work because of illness or non-occupational injuries. This fund to be paid by establishing a State Fund, a director to be appointed at a salary of \$12,500 a year. The bill contains 32 pages and one thousand lines. The employee and employer to contribute 1 per cent each from salary of \$3,000 a year or less to the fund. In return the employee would collect from the State \$25 a week for 23 weeks out of each year. If this is passed and signed by the Governor, the insurance companies say that actually 40,000 employees in insurance would be out of work. It would create a state monopoly.

Temperature and tempers may rise but the three musketeers are cool and busy people you will find behind the counter in Room 437, the legislative document room on the fourth floor of the State House. They are Frank Steele, Frank Cornelius and Dave Nagle. The taxpayers money is not being wasted on these three musketeers, for they are always on the job at all times. Copies and resolves are stored in this room. They also have a card index system and can find a bill in short order by knowing only what it is about or who filed it. They are wizards—because if a person can give the nature of a bill without knowing its proper title, they will find it. That's service. While General Court is working and making first line news, these musketeers are ferreting out information for them and the public. This column extends best wishes and a pleasant summer for them.

The degree of Associate in Science was awarded to: Leonard J. Bloom, Albert F. Bonazoli, Jr., John B. Boughan, Donald S. Clark, Everett S. Clement, Paul E. Fair, Lucienne E. Flowers, Louis Flowers, James H. Goddard, Jr., John J. Hand, Jr., Edward F. Hayden, Robert H. Humphrey, Kenneth H. Lapham, Jr., Charles F. Lowry, Jr., George A. Marken, James A. Moller, Jason S. Slesinger, Donald J. Smith, Kenneth B. Turner, Jr., Parker H. Vaughan, Alfred R. Visco. William J. Ryan was the recipient of a certificate.

*With honors.

With the recall, filing into the general orders folder, or commitment to the waste basket at the fire stations in Newton some 200 firemen were "saved" from answering the "burning" questions shown in the attached reproduction of a letter signed by Fire Chief John E. Corcoran.

By some happenstance the communication was withdrawn before some firemen had even heard about it. It was supposed to be read at roll call as the men appeared for duty.

The "free thinking" citizens of Newton who voted 20,000 strong for the adoption of the 48 hour work-week plan should know that such political practices are not acceptable to them. If similar questions are to be asked of the police department, the school department and all other city and civil service employees what has Newton become, a Fascist city?

WE the "free thinking" citizens of Newton want none of that!

Navy Medal Posthumously Awarded Auburndale Hero

The late Lieutenant Commander Albert Donald Foster, USNR, of Auburndale, has been posthumously awarded the Gold Star in lieu of the Third Distinguished Flying Cross, for his services as a Naval aviator during World War II. The decoration won by received by his wife, Mrs. Albert D. Foster, of 2033 Commonwealth Avenue, Auburndale.

Lieutenant Commander Foster was decorated "For heroism and extraordinary achievement in aerial flight as Pilot of a Torpedo Plane in Composite Squadron 85, attached to the USS LUNGA POINT, in action against enemy Japanese forces in the Okinawa area from March 25 to April 25, 1945. Completing his twentieth mission during this period, Lieutenant Commander (then Lieutenant) Foster participated in hazardous flights, thereby contributing materially to the success of his squadron. His skilled airmanship, courage and devotion to duty in the face of hostile anti-aircraft fire were in keeping with the highest traditions of the United States Naval Service."

The citation which accompanied the medal was signed by the Secretary of the Navy for the President of the United States.

Open Camp of Two Centres Monday

Two Centres, Camp, run cooperatively by two Newton Red Feather Services, the West Newton Community Centre, Inc. and the Rebecca Pomroy House, Newton, opened its summer season Monday, and will continue for a seven week period. The first two weeks will be open for boys and the remaining five will be for girls.

After the membership groups of the organization have been given the opportunity of registering, other boys and girls may register for camp, provided there are openings. The first week's campers from West Newton will include Paul Carlson, Peter Cobb, Richard Dowley, Daniel Gadsden, Thomas Gorgone, Howard Haywood, Richard Peters, James Priest, Gerald Shea, Thomas Turner, William Turner and Sargent Moore. Others who will attend the second week include John Greene, Vernon Rollins, Leroy Kelly, George Hergenrother, Robert Barry and Samuel McClary. Indoor work will be conducted at the Rebecca Pomroy House each morning, followed by outdoor activities, including swimming both instructional and recreational, at Walden Pond and its environs. Special features with museum and educational trips will be part of the Day Camp Program.

Miss Virginia Fisher of Newtonville a member of the staff of the Pomroy House, and Mrs. William H. Cady Executive Director of the West Newton Community Centre, Inc. will be in charge of the activities.

C. Evan Johnson In Talk to Kiwanians

Newton's Recreation Commission is busy. Its activities are many and the Garden City's recreational facilities, for youngsters and grownups, are second to none in Massachusetts. Newton's Recreation Commissioner, C. Evan Johnson, told the Newton Kiwanis Club, Wednesday at the YMCA.

More than 6,500 Newtonians enjoyed a swim in Crystal Lake, Newton Centre, during the first seven days of the 1949 season, the Commissioner said and the city's 42 tennis courts are in constant use daily and during the evenings. Trips to the beaches, hikes and picnics, plus varied course of instructions in tennis, swimming, boys and girls craft, etc., are available daily.

Nineteen groundkeepers keep Newton's 39 recreational areas in "tip top shape." Mr. Johnson concluded and "sometimes baseball teams from neighboring cities and towns slip over the line, so's to play their Sunday morning games on Newton's well kept baseball diamonds."

Past Lt. Gov. James B. Riggs was reported a patient at the Mass. Osteopathic Hospital, Jamaica Plain, where he is recovering from a serious operation.

Frank Oliver, California, George Hutchings, Natick, Earl Spellman, Newton and J. B. Ormiston, Riverside California, were guests of the Newton Kiwanis Club, at this meeting.

Politically speaking summer means nothing to the Garden City when much enthusiasm was demonstrated Tuesday night at John Janse's home, 26 Greenwood street, Newton Centre, at a meeting of the organization committee comprising all the seven wards of Newton, the real beginning of his candidacy for mayor.

Presiding was W. Edward Wilson of Auburndale, Mr. Janse's campaign manager, who so well directed the Roy Edwards campaign two years ago and only missed the goal by 1600 votes.

In introducing Mr. Janse, Chairman Wilson emphasized the pioneering of the 1949 campaign for mayor. By count exactly 49 people were present numbering seven from each of the Newton wards. Spontaneously it became a slogan for the campaign, namely, "Janse's chances are good now, they'll be better on election day."

Most definitely Mr. Janse followed up his introduction with his announcement that he expected to win the mayoralty contest "because of the short comings of the present administration."

n opening his remarks, Mr.

C. Adrian Sawyer, Jr. President of M.I.T. Alumni Assn.

Led by C. Adrian Sawyer, Jr., president of the Sawyer Construction Company, Boston, four new officers assume duties in the Massachusetts Institute of Technology's Alumni Association Friday.

Mr. Sawyer, will serve for a 12 month period.

Mr. Sawyer, whose home is at 57 Dorset Road, Waban, has been associated with the Sawyer Construction Company since 1924. He graduated from the Institute's course in metallurgy in 1902 and remained for one year as assistant in mining engineering at M. I. T. Since 1903, he has been active in various construction firms in the Boston area.

A member of the American Society of Civil Engineers, Mr. Sawyer is on the advisory committee of the State Board of Health and is chairman of the Newton Board of Appeal. He is president of the New England Peabody Home for Crippled Children, the Hahnemann Hospital, and the Brae Burn Country Club, and is a director of the Suffolk First Federal and Loan Association. Mr. Sawyer was vice-president of the M. I. T. Alumni Association in 1935-37.

Chapter House to Be Open to the Public

The D.A.R. Chapter House, Washington Street, Newton Lower Falls will be open to the public on the first Thursday in July. There will be an admission charge.

Janse gave full credit to the assemblage for giving of their time to his cause during the humid and hectic days of summer, registering a positive interest in the welfare of the Garden City and indicative of growing interest of Newton citizens in the mayoralty campaign.

Said Mr. Janse, "Newton has definitely changed its political complexion. It is still the Garden City but those who grow gardens are not of the same variety that the seeds of pedigree once named their successor for mayor in the old Newton Club."

"For years I was a public servant. I served the people of Newton not in any high omnipotent manner like the present mayor. Later, possibly, I am going to be condemned for that service. I am ready to accept the challenge of my public service as against the present incumbent in the mayor's chair."

"The vindictiveness of the present administration."

MESSAGE FROM THE MAYOR

The nationwide Fourth of July program now being conducted by the National Safety Council to hold down the holiday accident toll is a challenge to everyone in Newton.

I urge every citizen to join with me in a wholehearted concerted effort to make the Fourth of July an accident-free holiday celebration for all of us.

It can be a holiday weekend free from accidents and the death and suffering that accompany them, if each and every one of us will accept personal responsibility for a safe and sane celebration.

Remember that the Fourth of July commemorates the happiest day in our nation's history. Let us honor the memory of those who died to bring about and maintain America's freedom by celebrating the holiday safely—and insuring continued happiness for all of us in Newton.

THEODORE R. LOCKWOOD, Mayor

Hodgdon Seeks Some Facts on Payment

In the second speech of his campaign for Mayor of Newton, candidate Walter A. Hodgdon called attention to a claim settled last week for \$165,552, dating back to the street department's difficulties of several years ago. Hodgdon's speech made June 28, was as follows:

"One week ago I called your attention to the \$400 increase in our tax rate and the depletion of the city's surplus by more than \$900,000 in a few days less than one year and six months of Mayor Lockwood's two year term. While it is true that anyone can be a back seat driver and criticize after events have taken place, it is also true that all public servants should be willing to report on the competency of their administrations to the citizens who elected them. It is the American way for an office holder, who is a candidate for re-election, to stand on his record in that office. Our Mayor Mr. Lockwood, is such a candidate for re-election. He must stand, or fall, on his record as Mayor of Newton. None of us are perfect. I know that I am not. We do not expect our Mayor to be perfect, but we do expect him to realize that he is responsible to all citizens for any and all of his acts as Mayor of Newton."

"Last week, I made the following statement: It is time that Mayor Lockwood, or someone in our city government who feels his responsibility as a public servant, made a complete report to our citizens regarding the condition of the city's finances in simple understandable language. This should include an explanation of the following appointments to the Newton High School faculty have recently been announced by Dr. Homer W. Anderson, Superintendent of Schools:

Mr. Charles Pelletier to head the Social Studies Department; Mr. Robert H. Mitchell to head the Guidance Department, and Mr. Albert E. Navez to head the Science Department.

Oak Hill Residents Assured Water Supply Is Adequate

Appeals Mailed to Newton Residents

In the hope that all residential and special gifts solicitations can be completed soon in Newton for the Children's Medical Center Fund \$11,500,000 drive, several thousand appeals have been mailed to those who have not yet been called on personally, it was announced today by Ernest G. Angevine of 302 Walnut street, Newtonville, local chairman.

The 11 village chairmen have been covering all the Newtons since June 1, Angevine said, and will continue their solicitations until every home has been contacted, wherever possible.

At the same time, he named 10 chairmen to begin their soliciting of business establishments this week and it is expected that this phase of the drive

Summer Playground Season Officially Opens Wednesday

The Newton Recreation Department officially opens the summer playground season Wednesday morning at 9 a.m. with a meeting of the entire playground staff in the Alderman Chambers in City Hall. Following this meeting the playground workers and their assistants will report to the grounds to which they have been assigned, and the summer playground season will be underway.

There will be twenty-seven supervised playgrounds, with a total staff of 102 people. Seventy-six of these playground workers have had previous experience either on playgrounds or at summer camps. The staff organization is headed by four district supervisors — Mrs. Ragna Hovgaard, Mr. John F. Donahue, Mr. Nicholas Tedesco and Mr. John Dacey. Special activities will be supervised as follows: Girls' Handcraft — Miss Gladys Forbush, Boys' Handcraft — Mr. Thomas Cutler, Dancing — Mrs. Dorothy Sawyer, Tennis — Mr. William Powers.

The following playgrounds will be supervised daily from 9 a.m. to 12 noon and from 2 p.m. to 5 p.m., and on Saturday mornings from 9 a.m. to 12 noon: Emerson, Weeks Junior High School, Warren Junior High School, Temple Street, Farlow Park, Richardson Playground and the temporary play area at the veterans' housing project. All other playgrounds will be supervised morning, afternoon and evening.

The program will include sports and games for all ages, dancing, handcraft, boys' craft and tennis instruction. Eighteen

Residents in the Oak Hill Section of Newton have been assured by Mayor Theodore R. Lockwood that the water supply and water pressure serving the Peabody Home for Crippled Children, Oak Hill Park and other areas in the Oak Hill District is entirely adequate to meet any emergency involving the safety or health of the neighborhood, in spite of the recent ban on the use of water during certain times of the day for watering gardens and lawns, and the shortage of pressure at the hospital several weeks ago.

The Oak Hill District Improvement Association, along with the Colonial Acres Club and Oak Hill Park Associates have been conducting a study of the local situation and have met with those in charge of various city departments including the Mayor. They have found the City very much concerned with the problem and have already taken steps to correct present weaknesses in the water system through the laying of an additional pipe line along Nahant street, which will increase several times the needs of the expanding community of Oak Hill.

The Saw Mill Brook Highway, had it been authorized would have carried along with it connection with the main water line that would have accomplished the additional water supply needed. However, for fire protection safety and for normal household use the Mayor has indicated that pressure has been stabilized and is entirely adequate for any emergency that might arise. The period between 7-8 p.m. is the time when the pumping peak is reached in the use of water. It is hoped the ban on restricted use of water will soon be removed, but in the meantime with the construction of the additional pipe line, shortages of water and lack of water pressure should soon disappear.

Rev. B. Raiton Bax To Preach Sunday

Preaching this Sunday, and also July 10 and 31 at the Second Church in Newton, 60 Highland Avenue, West Newton, will be the Reverend B. Raiton Bax, who is here as a delegate to the Wellesley meeting of the International Congregational Council.

During the war, Dr. Bax served from Iceland to Africa as the first Free Church Chaplain to the RAF. After the war, he received the war-damaged Ealing Green Church in London. Through his ministry, the church was completely repaired. Dr. Bax is also active in Masonry, Rotary, and hospitals.

This is the fourteenth year that several churches in the western part of Newton have worshipped together during the summer. Joining the eight other churches is the Centenary Methodist Church, Auburndale. Reverend Sydney Adams serving as minister.

Traffic Drive to Be Held Over Holiday

Police Chief Phillip Purcell has announced that an extensive traffic safety program will be conducted in connection with the three-day 4th of July holiday celebration this year.

"Our enforcement program over the Fourth of July will bring Newton to a united effort by cities and states throughout the nation to hold down the holiday death toll which usually occurs over the Independence Day celebration," Chief Purcell said. This nationwide program is being coordinated by the National Safety Council.

The Five Arts of Beauty Make-Up Magic

By Helena Rubinstein

In a lifetime spent in working to make women more beautiful, I have been asked to advise thousands who have come to me. "What must I do first?" Has been the inevitable question these women from every station and of every age have put to me—and my answer has always been the same: "No woman can be truly beautiful unless her skin is beautiful."

A beautiful skin can counterbalance a great number of defects; it can often make up for poor teeth or thin hair or a figure that is not precisely as svelte as you'd like it to be. But to acquire—and to keep—a beautiful skin is to give, always, the impression of being a beautiful woman.

Three Types of Skin

The whole body, particularly the skin, has all its life to fight enemies which attack it from without and within. The internal enemies are the wrong things we eat and drink—the enemies from without are the dust and germs in the air, the cold and wind in winter and the burning rays of the summer sun. And in order to care properly for your skin, you must first learn to know the type of skin you have. Gen-

even more, you should realize that nothing gives such an effect of age or so quickly robs even the smartest frock of its style as a thick waistline and heavy hips! Let that thick waistline be the easiest of all figure faults to correct—and it is the most common fault.

It is true that you are born with a certain bone structure, and you must accept it. But you can also make the most of it, if you would be beautiful!

Your Eyes

The poets have called your eyes "The Mirrors of the Soul." And whatever your eyes may or may not express, the owner of beautiful eyes usually finds the world at her feet. It is, then, worth your efforts to cultivate or keep beautiful eyes—to learn to protect them as priceless treasures and to learn how they make you appear more beautiful.

Most women do have expressive eyes, but few know how to make the most of them. A touch of carefully selected eye make-up deftly applied makes the eyelashes seem longer and darker, and gives more accent to the brows. The eyes then appear larger, deeper, more expressive and far more alluring. The clever woman today realizes the importance of eye make-up—How it completes the picture of a truly beautiful face.

Are your eyes the center of attraction and animation in your face? You must be honestly critical—You should study your eyes in a mirror with lots of bright light, or even better, strong sunlight. Do your eyes have a tired look? Do you frown and squint? There's one sure test for this, of course—are there tiny lines forming to reveal your bad eye habits?

Figure Care

As I have often said, I think we are living in a particularly fortunate age, for our present ideas of beauty are nearer to natural perfection than they have been at any time since the early days of Greece. We do not distort our figures, today—we try to bring them to natural physical beauty and symmetry. Normal, weight, however, cannot be reduced to a definite and inflexible figure. It depends not only upon height but upon some structure and general temperament, and upon hereditary tendencies toward fatness or thinness.

But you, I'm sure, do have a feeling about what is correct weight, and about what amount of flesh is becoming to you. You know when added pounds are becoming burdensome. And then is the time you look in your mirror and say, "Oh, my figure!" Quite rightly, too, for a graceful figure is one of the five keys to a woman's beauty.

The ideal exercise system should do more than take off weight or overdevelop leg and arm muscles. It should develop not only beauty of line, but beauty of movement, the poise of lithe muscles and the complete control of them as well. Of course, we all have a deplorable tendency to neglect exercises after the first spurt of ambition has worn away. It's so easy to skip just one morning—or one evening. And then, before you know it, two or three days have gone by and the exercise habit, not yet fixed, is broken.

But when you realize that your exercises will bring you the realization of the ideal for which you aim, it should energize you into regular, daily exercise. And

Clear shining eyes are one of your beauty birthrights—and smooth firm skin around them gives the proper setting. If your eyes are not so lovely as you wish them to be, you must give them special attention both night and morning until you have remedied the faults you found. Eye preparations are compounded with ingredients specifically beneficial—to help bring true loveliness to your most eloquent feature.

And then, a touch of eye shadow on the upper lids to create the illusion of a more intense color—the accent of mascara, properly brushed on, to make your lashes thicker, darker, longer. This subtle make-up finishes the illusion of enchantment to give you beautiful eyes.

And Hands
Your hands have a language all their own. It is not alone the shape of your hands that reveals the very texture of their skin gives you away. When hands are soft, smooth and cared for, you know at once that their owner is a woman of dainty, fastidious habit. And equally true, when hands are roughened, red and blemished, they indicate carelessness, neglect—even untidiness.

Today, women's hands are busy hands, and it is more necessary than ever before to care for them if you would have them be one of your aids to beauty. Your hands must cook, sew, sweep, wash dishes, garden, golf or type—yet they must look lovely at the bridge table or at luncheon or dinner—and they must be inviting to the touch.

There is no part of the human body which so quickly and generously responds to care as the hand. Even if it is not shapely, your hand will look lovely if you keep it smooth, white, well manicured, and use it gracefully. This requires so little time—yet the beauty benefits will last you your whole life long.

Three Steps to Hand Beauty: Cleanse—Protect—Beautify. Now when you cleanse your hands, avoid if you can hard water and harsh cleansing agents. Use warm water, a bland soap, a nailbrush—and scrub! The skin of your hands contains very few oil glands, so you should always use a lotion after every single time you wash. And for further protection, be sure that you dry

your hands thoroughly. This is most important, yet few women seem to realize it.

To beautify your hands, once a week you should give them an overnight treatment with lubricating cream to be left on while you sleep. A loose pair of cotton gloves will protect your bed linens and you'll be truly delighted with the results. Your hands will be lovely, if you follow these simple rules—and they will be still a further support in your quest for beauty.

Someone has said that there are three things that cannot be rushed through in a hurry if they are to be worthy of the name. They are making love, making wine, and the creation of works of art. To this might be added a fourth, the application of cosmetics, unless you wish to include make-up under the heading of art. And an art it certainly is, when sufficiently studied and practiced.

The woman who is known as a pretty woman is not always she who has basically the prettiest face. She is much more likely to be the one who sits down before her mirror like an artist in front of his canvas. Her face may not be perfect, but she knows all the devices for turning her defects to advantage. And just as the artist begins with a spotless canvas, you, the make-up artist, must begin with an immaculate skin. Every trace of dust and stale make-up must be removed, and your skin toned, refreshed, made as lovely as possible before you start. Remember, the clearer and finer your skin is, the more effective will your make-up be.

How Much Make-up?

I have one attitude toward make-up which some people regard as rather revolutionary, and that is that I approve of the younger woman's using it more lavishly than the older. Please understand that I am not advocating that she overdo the matter; but it is my opinion that a vivid make-up looks bright on a shining young face—on an older one if not only does not conceal the age, but actually accentuates it, emphasizing the lines in the face.

Harsh rouge can also give the face a hard, artificial look. You cannot be too particular about your choice of rouge and the way you use it. For make-up can do even more than improving your coloring. It can actually change the shape of your face, your nose, and your mouth.

I have given you, now, my five keys to beauty: Your skin, your figure, your eyes, your hands and your make-up. These are the keys that will unlock for you the secret of loveliness—the guarded secret of being a beautiful woman. Use them to the best of your ability, and you will be rewarded with beauty.

"How to become graceful", by Fred Astaire, the second in the series of The Five Arts of Beauty, will appear in an early issue of the Chronicle.

If you have any questions you'd like me to answer on any of the above or about The National Five Arts Awards, write me at 425 East 50th street, New York 22, N. Y.

Free Summer Courses For Veterans Offered At Boston H. S. of Commerce

The Massachusetts Department of Education in co-operation with the Boston School Department will conduct the Boston Regional High School for Veterans again this summer. Classes will be held at the School for Veterans in the High School of Commerce building, Avenue Louis Pasteur, Boston, from July 5 to August 26, inclusive.

These courses will be free to all veterans who are residents of Massachusetts and will be taught as in previous summers by men instructors of the Boston school system. The hours of attendance will be from 8:30 a.m. to 12:30 p.m., Monday through Friday.

Courses will be offered in English, Elementary and Advanced Algebra, Plane and Solid Geometry, Trigonometry, French, Latin, Spanish and German, Physics, Chemistry, Economics, Modern History, United States History, and American Government.

All courses will be conducted on an accelerated basis. Veterans whose high school education has been interrupted by their term of service in the armed forces may earn required points for a high school diploma. Veterans who are high school graduates may take refresher courses in preparation for college in the fall.

All prospective students are urged to register as soon as possible before June 23 at the School for Veterans, High School of Commerce building, Avenue Louis Pasteur, Boston, or to telephone the school office at AS 7-7260. Students will be accepted, however, on the opening day, Tuesday, July 5, or any day during the first week of the summer session.

Veterans living outside the City of Boston should especially note that residence within Boston is not required for admission to these summer sessions at the School for Veterans and that the school is conducted on a free of charge basis.

Seeds for a new "handy size" watermelon are to be ready for commercial seed producers next year. The new melon will be round and about half the size of the present melon.

Mildram-Sampson

At a 3 o'clock ceremony in the Central Congregational Church, Newtonville, Saturday, June 25, Miss Eleanor Sampson, daughter of Mr. and Mrs. Winsor G. Sampson of Auburndale, became the bride of Mr. Ratcliff Mildram, son of Mr. and Mrs. Frank C. Mildram of Newtonville.

The ceremony was performed by Rev. Randolph S. Merrill and a reception followed at the home of the bride's parents.

The bride was given in marriage by her uncle, Mr. Preston S. Sampson. She was attended by Mrs. David W. Sampson of Auburndale as matron of honor. Mr. Robert W. McNally of Portland, Me., was the best man.

Miss Mildram was graduated from Russell Sage College in Troy, N. Y. Mr. Mildram was graduated from Rensselaer Polytechnic Institute, Troy, and a member of Theta Xi fraternity.

Following a wedding trip to Nova Scotia, Mr. and Mrs. Mildram will make their home in Auburndale.

Marshall-Denison

At an afternoon ceremony in the First Church in Newton, Newton Centre on Friday afternoon, June 24, Miss Carolyn Denison, daughter of Mrs. Rose Edwin Denison of Newton Centre, became the bride of Mr. Henry Newton Marshall, 2d, son of Mr. Howard Walker Marshall of West Newton.

The bride carried an heirloom rose point lace handkerchief which has been carried by members of four generations of her family. Her wedding gown of pink slipper satin was fashioned with a bertha of Chantilly lace, long tight sleeves and a bouffant skirt with a long train. Her cathedral veil of illusion was edged with Chantilly lace and she carried a prayerbook with phalaenopsis orchids and a cascade of lilies-of-the-valley. She was given in marriage by Mr. Thomas R. Numan of Hopkinton.

Mrs. Joseph Sulesky of Readville was matron of honor for her sister. The bridesmaids were Mrs. Howard W. Marshall, Jr., of New Haven, Conn., and Mrs. Fuller Marshall of Newtonville.

All the attendants wore gowns or robes of blue tissue tulle with matching mitts, the matron of honor carrying a cascade of apricot and rose sweet peas edged with tulle to match her hat, and the bridesmaids carrying cascades of apricot sweet peas to match the flowers on their tulle hats.

Mr. Marshall was best man for his son. The ushers were Mr. Howard Walker Marshall, Jr., of New Haven, Conn., Mr. Philip Partridge of Brockton and Mr. Richard Claffin of West Newton.

The bride was graduated from the Kathleen Dell School. Mr. Marshall prepared at the Choate School, Wallingford, Conn., and was graduated from the Babson Institute.

Friendly Thoughts

We stand awed by the works of nature. We are in the presence of an immensity that makes material, selfish gain seem paltry. And in like proportion it makes us feel the transcending value of glory... selfishness... sympathy.

We constantly strive to make our services as beautiful and impressive as possible—to create a memory that will bring consolation in the years to come.

Recent Weddings

Crocker-Mayberry

In the Newton Highlands Congregational Church, Sunday afternoon, June 26, Miss Ann Mayberry, daughter of Judge and Mrs. Donald E. Mayberry of 141 Plymouth Road, Newton Highlands, became the bride of Mr. Charles F. Crocker, Jr. son of Mr. and Mrs. Charles F. Crocker of West Barnstable, Mass. Rev. Frederick Groetsma performed the ceremony.

The bride, given in marriage by her father, wore a gown of Unanilly-patterned lace with a veil of matching lace and carried white carnation and stephanotis. Miss Ann Whitaker, her maid of honor, wore white dotted swiss over orchid taffeta and a large horsehair hat. The bridesmaids, Mrs. Chester M. Brandt of Milton, Miss Ann Whitaker of Newton Highlands, Miss Helen Buebendorf of Brookline, Mrs. William H. Lewis, Jr. of Braintree and Mrs. Allen F. Whitney of Cambridge, wore similar gowns of white dotted swiss over yellow and aqua taffeta and carried Colonial bouquets.

Mr. Howard W. Foote was the best man. The ushers were Mr. Donald E. Mayberry Jr., brother of the bride; Mr. William H. Lewis, Jr. of Braintree; Mr. Harold C. Moore, Jr. of Chestnut Hill and Mr. William P. Swift of Barnstable.

The bride studied at Centenary Junior College in Hackettstown, New Jersey. Mr. Crocker studied at Tabor Academy and at the Massachusetts Maritime Academy in Hyannis.

Following a wedding trip to Virginia Mr. and Mrs. Crocker will reside in Cambridge.

Richards-Pilliard

Miss Mary E. Pilliard of Loomis, California and Arklay S. Richards of Newton Highlands were married June 29th, at the Congregational Church in Loomis, California. After a two week motor trip through the west, they will return to reside in Waban.

Watkins-Fay

Madonna lilies and woodwardia ferns formed the setting for the wedding on Wednesday afternoon of Miss Patricia Fay, daughter of Mr. Charles Norman Fay of West Newton and the late Mrs. Fay, when she became the bride of Mr. Ernest Lynden Watkins, 2d, son of Mr. and Mrs. Melvin Hawkes Watkins of Portland, Maine.

The ceremony was performed in the drawing room of the home of the bride's father at 4:30 by Rev. Robert Clyde Yarbrough. A garden reception followed, the couple receiving their friends amid a background of deep purple and blue hydrangeas.

Thayer-Smith

In the Second Church in Newton, West Newton, at 4 o'clock Friday afternoon, June 24, Miss Eugenia Sherrill Smith, daughter of Mr. and Mrs. Sherrill Smith of West Newton, became the bride of Mr. Lucius Harrison Thayer 2nd, son of Mr. and Mrs. Lucius Ellsworth Thayer of West Newton. The ceremony was performed by Rev. Theodore A. Greene and Rev. Robert Clyde Yarbrough. A reception followed at the Brae Burn Country Club.

The bride's gown of ivory satin was outlined at the portrait neckline with Venetian lace. Her train was of cathedral length and her fingertip veil was caught to a crown of Venetian lace. She carried white orchids. She was attended by Miss Virginia Thayer, sister of the bridegroom, as maid of honor. The bridesmaids were Miss Nancy Louise Bond of Essex Fells, N. J., Miss Elizabeth Ann Burgess of West Newton, Miss Sheila T. Cordingley of Chestnut Hill, Miss Joan F. Fitzgerald of Milton, Miss Betsy C. Smith of Boston and Mrs. George O'Day of Chestnut Hill. All the attendants wore bouffant gowns of white organza. Their head-dresses and cascade bouquets were of Vanda orchids.

Mr. Thomas B. Spears of Weston was best man. Mr. Robert D. Miller of Weston headed the usher list which included Mr. D. Reynolds Moore of Brooklyn, N. Y., Mr. Jackson G. Barry of Waban, Mr. William R. Walton of Fort Worth, Texas, Mr. Samuel Montgomery of Cambridge and Mr. Thayer A. Greene of New Britain, Conn.

The bride is a graduate of the Beaver Country Day School and Colby Junior College. Mr. Thayer, a graduate of Phillips Exeter Academy and Amherst College, is a member of Phi Beta Kappa and Psi Upsilon.

Following a wedding trip to Bermuda, Mr. and Mrs. Thayer will reside in Cambridge.

Nation's Biggest Striper Derby Gets Underway

The country's largest Stripper Derby had its official 1949 announcement last week-end as 30 New England and neighboring states' outdoor writers were the guests of the Martha's Vineyard Rod and Gun Club.

The activities opened Saturday noon with a luncheon at which the 1949 Derby plans were outlined, and from then until Sunday night the writers found out for themselves that Stripers are running strong all around the island. Nineteen bass were landed ranging from 12 to 22½ pounds, and all were taken at Squibnocket, Anther's Bridge or Menemsha.

Added incentive was provided by Joe Barnes of the Dot Line Company who put up a prize for the largest bass taken consisting of an Ace Berillium rod, Perez reel and Golden Dot Line. Don Guy, photographer for the Associated Press, capitalized two sleepless nights of working the beaches by landing the 22½ pounder at Menemsha. Don took four other bass at Menemsha—all on a Barracuda; Wes Jenney from the Brockton Enterprise beached six bass at Anther's Bridge on worms; Ernie Tucker of the Beverly Times hit 3 at Squibnocket on a Wigglie plug; the Woonsocket Call's Hal Gilbert got 2 at Menemsha (his top one was just under Don Guy's prize winner; and Bill Backus of the Bergen, N. J., Record took a 15 pounder from Squibnocket on a yellow squid and two others from Menemsha.

New Dial Method Speeds Toll Calls From Busy Areas

Telephone operators in 18 New England cities are now dialing calls to Metropolitan Boston and Lynn, with the placing in service of the first unit of equipment in the new dial-operated long distance center the New England Telephone & Telegraph Company is establishing at 185 Franklin Street, Boston.

Later, in July and August, six more cities will be connected to the new unit, which is designed especially to switch calls from cities with a heavy volume of traffic to the Boston-Lynn area.

Now connected are Portland, Me., Manchester, N. H., Providence, R. I., Hartford, Conn., and the following cities in Massachusetts: Ayer, Concord, Fall River, Framingham, Hyannis, Lawrence, Lowell, Marlboro, Milford, New Bedford, Newburyport, Salem, Taunton and Walpole. In addition, Newark, N. J., will be connected.

Scheduled for connection to the new switching unit in July are White River Junction, Vt., and Haverhill, Mass. They will be followed in August by Fitchburg, Springfield and Worcester, Mass. New York City will also be connected.

Tires 'Burned Up' Over Hot Cinders

The weather isn't the only thing that's been hot in the Parkway district in the last few days.

Firemen of the West Roxbury station were summoned to the West Roxbury Veterans Hospital Monday afternoon where a Metropolitan District Commission truck was reported on fire.

Arriving on the scene, they found the two rear tires of the vehicle ablaze. After extinguishing the blaze, the firemen learned that the driver had inadvertently backed the rear wheels of the truck onto a pile of hot cinders.

A Shopping I Would Go!

By LEE TYLER

Tip Top Cleaners

14 Centre Ave., Newton

After nearly a concentrated year of practicing both, I've decided that shopping isn't so very different from job hunting in one big respect—you can actually enjoy yourself if you know who you're talking to. An important advantage to us in shopping out here in the suburbs is that we have time to get to know the people behind the counters. It brings shopping down to a more personal level—more interesting, yes, and much more fun. I talked to a number of families working together this week in the stores, and not only found what I wanted but had grand visits at the same time. You can too, if shopping you will go

When you're looking for the choicest hand-picked fruits and vegetables, and of course you always are, this 50-year-old store has them, and most every other grocery besides. As Stephen Lopez, the genial owner says, "We carry a full line of everything." Steve and Rose, his wife, have been in the store together practically since 1933, when they took it over after the death of Rose's father, who was the originator of the store. Fruits, naturally, are their specialty. Their berries are marvelous, and their delectable cherries, and blooming peaches. But they have a huge supply of frozen and canned goods, too. And scrumptious cheeses. Home deliveries are usually made by Tony. In the Lopez family? You bet. He's a cousin.

There to help you in this bright, modern shop are two or more members of the Tevekalian family. Everybody calls the head of the family and the business, "Jack," a translation of his real name, "Hagop." His wife is usually at the front counter, and sometimes you can spot daughter Janet, a sophomore at Newton High School, helping out back; and son Bob, 13. The Tip-Top business is 20 years old, and is unique for the number of services, besides straight cleaning, it offers. It's not too late to store your furs or woollens in their frigid vaults for the hot months. Nor to have the rush cleaning job done on that all-of-a-sudden-needed dress. All tailoring and dressmaking is done right in the store. You have no worries after you've left your garments with Tip-Top. You know they'll come back the way you wish them.

Mr. Jolly himself has retired, but a nice young couple named Ralph and Jean Malmgren, friends of his, took over the shop in May and are carrying on the basic delicious tradition Mr. Jolly established. Jolly's is a real old-fashioned ice cream parlor. In fact, the first days of the week you can watch Ralph making the ice creams and sherbets. Always at least 17 different flavors. You haven't lived until you've tried their ginger ice cream or their really chunky fresh strawberry! And their party molds... I saw one shaped like a melon, ready-made-up in strawberry and orange sherbet with a whipped cream centre, but you can order them in any of your own favorite flavor combinations. The Malmgrens also make up ice cream served in shapes—imagine—of a champagne bottle in a bucket, or a sailboat, or a flower, just to name a few. Jolly's has tubs for you people with deep freezes. When you go in, you'll want to treat yourself to some of his homemade candy, too. And if you're like me, you'll be back—and soon! Good news. They're open on the 4th and on Sundays, 10:30 to 2, and 4 to 9:30.

Green's Stationery Store

386 Centre Street
Newton Corner

Harry Driben and his two sisters, Billye and Ruth, opened this attractive shoe salon two years ago. The Dribens feature children's shoes, the "Pro-tek-tiv" with built-up heel and arch to throw the small foot properly; besides the traditional moccasins, sneakers, and loafers. And there's no tussle to get Junior to "stop squirming and let the nice man (or lady) measure your foot," for they've ingeniously installed animal chairs for the kiddies to sit in. Work wonders, they say. And mother, while you're about it, the Dribens have pumps and playshoes for you, too.

The South Side Market

728 Moody Street
Waltham

Telephone: Waltham 1015

I crossed the Newton line into Waltham this week because I wanted to tell you about South Side. Not a concession, not a chain, but a one and only is this market run by Archie Sudhalter and his son, Mason, a World War II veteran. It's not a "showy" store, because Archie believes in "keeping the overhead down to keep prices as they should be." And believe me, the values in South Side are something to rave about. All vegetables in South Side are native grown in Waltham gardens. And wait until you taste their steaks! Archie started the business soon after the first world war. He took some time off during those first store years to travel around the west and find out all about the evolution of cattle, headed for market, from raising to slaughter. Archie knows meat. For all-round satisfaction, his can't be beat.

Whatnot Shop

1284 Washington Street
West Newton Square

Since 1940 the What-Not Shop has been a welcome, cheerful addition to West Newton Square. Mrs. Edith Colpits, the owner, won't carry anything in the store unless she personally likes it. Among her favorites, are the gift place mats of plastic or cork, embossed with tasteful designs. And for the collector of miniatures, or the person looking for a new baby toy, What-Not has some dandies.

Green's has been a family business in Newton since the turn of the century. From father to son it goes, and here, now, mother has a hand too. Mr. and Mrs. Thomas A. Green and their 23 year old son, Bob, aren't often in the little store all together. Two at a time is how they work; the third person coming in for relief. For a little shop, the Greens carry a mighty variety of everyday things you need. They specialize in office supplies; paper, notebooks, pencils, card catalogues, what have you. Their side-line services are good to know about. They sell typewriters, brand-new and second-hands; do typewriter and fountain-pen repairing on a "guaranteed to please or your money gladly refunded" basis; and accept magazine subscription orders. When you're looking for that certain hard-to-find magazine, Green's is where you're likely to find it. Greeting cards, too.

Hahn's Drug Store

105 Union Street
Newton Centre

The owner and manager of Hahn's, which is just around the corner and across the street from the Newton Centre railroad station, is Carl H. Alvord, formerly a Michigan man. Any resemblance between he and four of his "clerks" is justifiable, for his daughters, Lucille, 18, and Mary, 16, and his sons, Jack, 17, and Jimmy, 15, all work in the store, too. And since their home is just up the hill a bit, none of them mind the early or late store hours, however the day may run. The oldest son starts his studies at the Massachusetts College of Pharmacy in September, taking after his dad. Hahn's, where many fountain customers say they find "the best cup of coffee in town," prides itself on its flawless, time-proven prescription records, dating back to when the store was first founded. There are four pharmacists waiting to help you. And scattered elsewhere throughout the store are just about the friendliest personnel you could ask to meet.

She leaves one daughter, Mrs. Nanette E. Oliver of Newton Centre and two sons, Charles H. Hoag of Mt. Vernon, New York, and J. Willett Hoag of New York City.

Francis H. Burbank

Funeral services for Francis H. Burbank of 245 Auburn Street, Auburndale, were held Friday morning from his home. A high mass of requiem was celebrated in Corpus Christi Church by Rev. Thomas F. Murphy, pastor. Burial was in St. Luke's Cemetery, Westboro with prayer by Rev. James T. Smith.

Delegations were present from the Newton Lodge of Elks, led by Exalted Ruler Thomas L. McEnaney and from the Newton Motor Sales Company led by Mr. John Cahill, president. Also present was Mayor John F. Devane of Waltham.

Mr. Burbank, a retired bus driver for the Middlesex & Boston Street Railway, died on Tuesday, June 21. He was in his 85th year. He was born in Leominster, Mass., the son of Peter and Theresa Burbank and had resided in Auburndale for 40 years. He was a member of the Newton Lodge of Elks and of the Garden City Mutual Aid Association.

He leaves a son, Harold R. Burbank of West Newton; a daughter, Mrs. James P. O'Connell of Auburndale; a brother, William A. Burbank of Newburyport and a sister, Mrs. Clayton Bates of Leominster.

Brett-Munro

In the Union Church, Waban, Saturday afternoon, June 25, Miss Nancy Munro, daughter of Mr. and Mrs. Hugh Munro of Waban, became the bride of Mr. Roger Clark Brett, son of Mr. and Mrs. Ralph Underwood Brett of Waban and Harwich, Mass. The four o'clock candlelight ceremony performed by Rev. Joseph C. MacDonald was followed by a reception in the garden of the home of the bride's parents.

The bride was given in marriage by her father. She wore a Victorian gown of imported French Chantilly lace over satin and her full length veil of French illusion, which cascaded over the cathedral train, was caught to a Victorian cap of matching lace. Her bouquet was of lilies-of-the-valley. She was attended by Miss Josephine Barnum of Milton as maid of honor. The bridesmaids were Miss Janet Gutterston and Miss Joan Beck of Waban. Miss Nancy Lamson of Wellesley Hills, Miss Joyce Stedfast of Boston and Miss Sally Richards of Flint, Michigan.

All the attendants wore bouffant gowns of aqua imported organza with matching picture hats trimmed with lavender to match their sashes. The maid of honor carried purple snapdragon, delphinium and gladioli in an orchid wicker basket. The bridesmaids carried bouquets of lilac flowers. The flower girl, Patricia Ford of Egypt, wore a frock similar to those worn by the bridal attendants with a halo of lilac flowers and carried a white wicker basket with rose petals.

Mr. Theodore O. Munroe of Waban, brother of the bride, was the best man. Another brother, James C. Munroe of Waban, headed the ushers list which included Mr. Henry F. Brett of Watertown; Mr. Walter S. Rallsback, Jr. of West Newton; Mr. Harold W. O'Leary, Jr. of Brighton; Mr. Wilhelm Junker of Dorchester; and Mr. John S. Clapp, Jr. of Chestnut Hill.

The bride attended Dana Hall and the Garland School. Mr. Brett attended Browne & Nichols School and the University of Pennsylvania. Both he and his bride are members of the Brae Burn Country Club and the Skating Club of Boston.

Following a wedding trip to Nantucket they will make their home at 167 Gerry Road, Chestnut Hill.

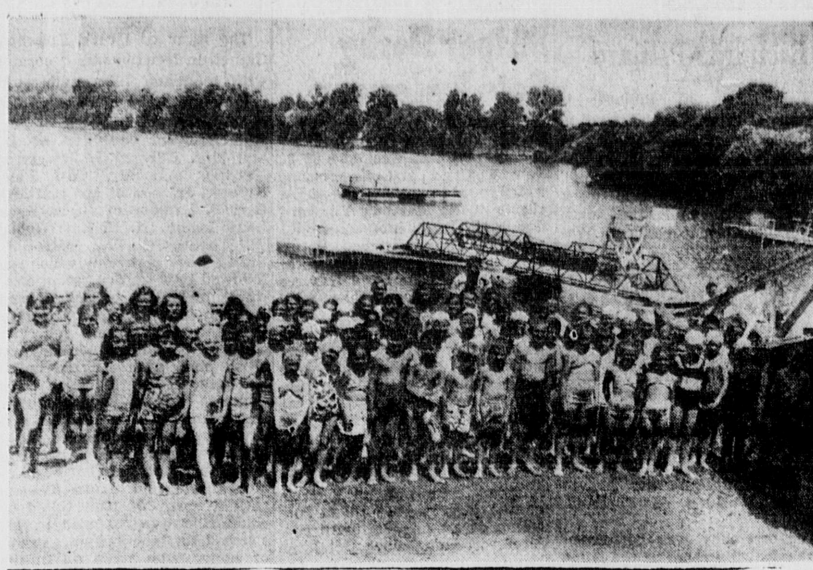

Walter C. Wrye

Funeral services were held Monday afternoon in the Newton Cemetery Chapel for Walter C. Wrye, formerly of Newton, who died on Friday, June 24, at his home in West Campton, N. H.

Mr. Wrye was in his 78th year. He was head of the accounting firm of Wrye, Pratt and Wall. He was a former partner of the Scoville Wellington Company, treasurer of the Pierce Arrow Motor Company and for many years a member of the examining board of the Massachusetts Society of Certified Public Accountants.

He was a director of the Pomeroy House in Newton, also of the Newton Y.M.C.A. and the Bryant & Stratton Commercial School of Boston. He was a Mason and for many years was closely associated with the Immanuel Baptist Church of Newton.

Among the candidates for degrees at Yale University last Monday was John D. Eusden of 666 Centre street, Newton. Bachelor of Divinity; Harold Parry of 23 Ashford road, Bachelor of Arts; Peter a member of 12 Marton road, Bachelor of Science in Industrial Administration, both of Newton Centre and George H. Ward, of 11 Gray Birch terrace, Newtonville, Bachelor of Arts.

ent administration at city hall has been proven many ways. The worst of these is the attempt to divide the city employees, firemen, policemen, school teachers and city workers in the other departments. These men and women, collectively should be accepted by the mayor as a co-operative group of all-Newton. Instead the attempt has been made to divorce them from each other."

will not be completed until July 15.

The chairman of the business division are: Payson La Baron of La Baron's Hardware, Auburndale; Roger Pryor of Hatch Coal Co., West Newton; Abraham Eastman of Eastman Florist, Newtonville; Frederick Wood of S. S. Pierce Co., Newton Centre; and Mrs. Bert Wolford, Newton Lower and Upper Falls.

Also, Winthrop G. Rhodes of Rhodes Drug Store, Waban; Mrs. William Whalen, Newton; Lionel T. Cohen, Thompsonville; Frank Lombardi, Nonantum; and Charles Monahan of Hubert Hardware Co., Newton Highlands.

With the residential solicitation nearing completion, Angeline again urged unqualified support of the drive by Newton residents "as a moral obligation and civic responsibility."

"Figures don't lie," he said, "and should bring home to all residents of the Newtons how often we have had to call upon the limited facilities of this great pediatric institution for the care and treatment of our youngsters in the past few years."

"From the 10 sections of Newton, an unbelievable total of 939 children have been sent to the Children's Hospital in the last five years, not including many others treated by its out-patient department."

"A break-down of the figures demonstrates clearly the relative stake each of our areas has in the success of the current drive."

"The figures are as follows: Newton, 176; Newton Centre, 215; Newton Highlands, 105; Newton Lower Falls, 14; Newton Upper Falls, 21; Newtonville, 83; West Newton, 112; Chestnut Hill, 67; Auburndale, 50; and Waban, 50. "I feel certain," he concluded, "that when the message of the current appeal has been brought to every resident, everyone will do his utmost to assure the success of our plans to expand facilities at the Children's Hospital into a modern Medical Center. "This hospital has benefitted Newton greatly in the past. Let us all pitch in and help it carry on this great work in the future."

his chairman for 20 years. He referred to Mr. Murphy as possessing as high principles as any man he ever met.

Ex-Mayor Childs said he was glad to have the opportunity to pay tribute to such a public spirited servant as Mr. Bartlett has been over many years, and who has never had a stain on his shield. He told of asking Mr. Bartlett to accept the appointment as City Solicitor to succeed Judge Bishop. Mr. Bartlett was surprised and replied—"I am a Democrat." Mr. Childs said: "My ideal in public service was Grover Cleveland as Mayor of Buffalo, and he was a Democrat." Mr. Childs asserted that Mr. Bartlett has been a great City Solicitor.

Ex-Alderman Harte praised the service of Mr. Bartlett. Mr. Harte told of the pleasure he had obtained by serving in the Newton Board of Aldermen and expressed the opinion that more citizens should do their share in contributing to good government.

Ex-Mayor Goddard lauded Mr. Bartlett both as a man and as City Solicitor. He characterized him as an outstanding citizen and a good soldier. Mr. Goddard told of frequently going to Mr. Bartlett for advice on city affairs.

Former Mayor Weeks said that in Newton municipal politics we don't care what party a man belongs to so long as he is interested in the welfare of this city. He remarked "I am interested in party government insofar as Federal and State politics are concerned, but in local government—No." Mr. Weeks said that "Mr. Bartlett has occupied a unique position in my life, and as a man I am fond of him." He said—"Mr. Bartlett held a responsible position so as to merit confidence and respect, and has been on the up and up. He will continue to be in the picture of Newton."

In behalf of those present Alderman Bauckman presented Mr. Bartlett with a large piece of airplane luggage.

The veteran City Solicitor in accepting the gift expressed his appreciation of Ex-Mayor Childs for having appointed him to the office he held for 29 years. He stated that Newton has had wonderful city governments, and wonderful Mayors.

Mr. Bartlett was born in Boston 73 years ago. His father, Charles W. Bartlett was prominent in the Democratic party of Massachusetts. Joseph W. Bartlett graduated from Dartmouth College in 1898 and Harvard Law School in 1901. He served in the Newton Board of Aldermen in 1913, 1914 and 1915. During World War I he served overseas as Judge Advocate of the Seventh Division.

For the past 10 years he has been a member of the board of trustees of Massachusetts State University, and for the past 5 years he has been chairman of that board. In 1948 he was honored by the university when the degree of LL.D. was conferred upon him.

Mrs. Garfield Drew, chairman of the Day Camp Committee of the Newton Girl Scouts, has just received a letter from Mrs. Kendall Bryan, Camp Director of the New England Region, confirming permission for the Newton Council to operate Camp Mary Bunker on Lake Cochichewick from July 26 to August 18 as a day camp for Newton Scouts and Brownies with prior camping experience, thus giving many girls a chance to participate in a progressive camping plan, going from Camp Quabbin to Camp Mary Bunker.

Although Camp Mary Bunker has been operated by the Wellesley Council for some time, the high standards maintained by the National Girl Scouts require that the Newton Council, in leasing the site from Wellesley and running the camp for its own girls, make new application to the National Camp Committee, submitting complete information in regard to program, leadership, waterfront standards, camp site buildings, equipment, sanitary arrangements, health and safety provisions, nutrition and food service, and business management and administration.

So satisfactory was the questionnaire filed by the Newton Council that Mrs. Bryan writes, in part, "You are to be congratulated upon the cooperative planning which has made possible an extension of your camp facilities. Because of the Camp Committee's and the council's vision and effort, many more of your Girl Scouts will be able to begin their camp experiences. Your progression in program plan and the coordination of these plans with troops' program and established camping are excellent."

"Certainly the leaders planning with the campers can make a real contribution to the Day Camp Program. Both the leaders and counselors and the program aides will thoroughly enjoy camping at Mary Bunker."

The camp will be under the direction of Mrs. Thomas LePore of West Newton, who, besides leading a Scout troop in her own village, is president of the Intermediate Leaders' Club. She has also done settlement work at Pomeroy House and at the West Newton Community Center.

SHUN SMALL BOATS

Non-swimmers are cautioned to keep out of small boats. Easily capsized canoes and rowboats are as deadly as loaded guns to poor swimmers and those who cannot swim. Stay in protected beach areas if you have not yet learned to swim.

tion of how the trouble in our street department, which occurred while our Mayor was chairman of the finance committee of the board of aldermen, has affected our financial condition. Then I asked these two questions: How much did that episode cost our tax payers? and Are there any bills to come in the future that the city will be forced to pay? This last question is much more pertinent now than when I asked it. I did not know at that time that the board of aldermen, at their meeting on Monday night, June 20th, had voted to settle a claim against the city, dating back several years to the street department's mismanagement trouble. Later last week, this matter was given definite publicity in the newspapers. A factual report regarding this claim settlement reads as follows: 'Appropriation's totalling nearly \$31,000 were approved by the Board of Aldermen Monday night to settle claims against the city. The largest single claim of \$16,555.62 was approved for the Swartz Hardware Company. The claim dated back to the difficulties experienced by the street department several years ago. Alderman Ernest G. Angevine told the board that the amount would settle the Swartz claim and that while the city could not be compelled by a court of law to pay, the legal department had informed the claims and rules committee that it could be paid legally. Angevine also brought out the fact that moral and business issues were involved.'

So, I must ask again—How many more bills, moral or unmoral, are outstanding against the city due to the street department's mismanagement several years ago? It is time now, and high time, in fact, that some responsible Newton official tell us the full story, leaving out, if possible, the names of those involved. What assurances have we that proper safeguards have been set up to prevent similar occurrences tomorrow or any time in the future?

PATRICIA WHITE, the movie star who was such a favorite at the Wellesley Summer Theatre last season, has just been signed to make three appearances at the Wellesley Theatre this season. She will play opposite Richard Arlen in *Made in Heaven*; Paul Lukas in *Accent on Youth*; and with Sarah Churchill and Jeffrey Lynn in *The Philadelphia Story*.

Announces Showing
of Feature Pictures

American Theatres Corporation's big show season is now under way! According to an announcement made by Manager J. P. Callahan, Jr., the A.T.C. Newton Theatre in West Newton has launched an unparalleled summertime entertainment season that will feature a non-stop parade of important two-feature shows, embracing the finest product to emanate from Hollywood in many years. The pictures all big stars, with big stars, offer a diversified array of entertainment that includes comedy, drama, romance, musical comedy, and semi-documentary presentations.

Among the big hits that Manager Callahan has promised local moviegoers will be "Champion," the big Kirk Douglas picture, with Boston's own Ruth Roman, Marilyn Maxwell and Arthur Kennedy, Fred Astaire and Ginger Rogers in the new technical musical, "The Barkleys of Broadway," "Home of the Brave," universally acclaimed one of the most important productions ever to come out of Hollywood; Ray Milland, Jean Peters, and Paul Douglas in the hilarious hit, "It Happens Every Spring," and "The Stratton Story," fine dramatic comedy, with James Stewart and June Allyson.

Also booked for early showing are the Bob Hope-Lucille Ball comedy, "Sorrowful Jones," Spencer Tracy and Deborah Kerr in "Edward, My Son," adapted from the sensational Broadway stage success; "Neptune's Daughter," a technicolor musical starring Esther Williams and Red Skelton, and featuring the hit parade favorite, "Baby, It's Cold Outside," and Gary Cooper and Patricia Neal in "The Fountainhead," a screen version of the best selling novel of the same name.

NEWS FROM THE STATE HOUSE

By HELEN L. WRING

The Metropolitan Transit Authority measure in the Senate and the radio blast against the members of the General Court by Governor Dever on Monday caused a great deal of excitement and resentment in the State House this week. Governor Dever spoke over the radio on Monday night. In his speech he called members of the General Court "political cowards" for failing to enact his \$23,000,000 tax program. At the present time his full tax program has not been reported out by the committee on ways and means. The Governor was mostly concerned about the mutual savings bank tax program. But the full wrath

of the legislators fell on Governor Dever's head when the House of Representatives convened on Tuesday afternoon at 1 o'clock. Before a partially filled House Chamber one member after another got up to state what they thought of Governor Dever's blast aimed at them. Rep. Charles Gibbons of Stoneham, G.O.P. House leader, led the protest. He said that he represented the accusation of the Governor and called him a "bully." Rep. Howard Whitmore, Jr., of Newton rose and spoke in defense of himself and his colleague of Newton, the lone woman member of the House, Rep. Margaret L. Spear. He said with a trace of anger in his voice ringing through the House Chamber as clear as a bell, with no malice in his heart nor with vengeance against the Governor, that he could not sit by and be called "political cowards." He said "that many members including himself had the courage to ask for an increase in M.T.A. fares and a sales tax. All members should fight back those who are calling names." Rep. George Rawson of Newton also rose in self defense and called the Governor's comment an "effrontery." There was much confusion and turmoil in the House. It finally died down after 35 minutes to continue the business of the day.

In the Senate a battle supreme took place on the floor of the Chamber lasting fully 3 1/2 hours on the M.T.A. bill. Many amendments were offered by various Senators on the bill. The amendment by Sen. Harris Richardson was passed on a roll call 20-18. The amendment calls for an establishment of a Board of Trustees to serve without compensation, each member shall be reimbursed for travel, etc. The trustees shall appoint and fix the salary of the general manager. The general manager of the M.T.A. now receives \$32,000 a year salary. Sen. Richard H. Lee voted in favor of this amendment. Sen. John Powers offered an amendment prohibiting M.T.A. officials from having any financial interest in gas, electric, railroad bus or street railway corporations. Sen. Powers said that this restriction applies to M.T.A. administrative officials. The amendment was aimed at John Moran, treasurer of the M.T.A. whose salary is \$25,000 a year. He lives in Brookline. Mr. Moran owns two thirds of the Eastern Mass. St. Railway Line stock. Sen. Bowker of Brookline spoke in favor of Mr. Moran saying that this opens the door to a very, very dangerous precedent, that we should not restrict the rights of citizens, that a man has a right

to invest his money where he chooses. Sen. Lee spoke in favor of amendment saying that a man cannot serve two masters. He criticized the Way and Means committee for eliminating the amendment. The amendment was defeated on a roll call 20-18. The bill H-1771 providing for the extension of Nonantum Road Route 128 in Newton by the M.D.C. was given a 3rd reading in the House. It was passed to be engrossed by a rising vote 33-55. It is now in the Senate for further action.

Two bills were signed by Governor Dever on Wednesday. One bill calls for public high schools to teach local history and government as required subjects, instructing the children in the meaning of the federal and State Constitutions and municipal government. Owners of motor vehicles can use their 1949 registration plates next year. A tab or a windshield sticker will be used instead of new 1950 plates. This will save the State about \$200,000 a year.

Edwin Wiest to Give
Driver Instruction

Edwin Wiest, instructor in driver education at Newton High School, will be teaching this summer for the Association of Casualty and Surety Companies which sponsor the center for safety education at New York University. A graduate of this latter institution, he has been selected to serve on the summer staff. Mr. Wiest will give institute work in driver education throughout the southern states, lecturing to instructors in various high schools and colleges. These teachers will be on fellowship from the respective state departments of education. The primary purpose of Mr. Wiest's work will be to enable teachers to qualify in the area of driver education.
